**Report of Principal and School Improvement Council**

Chestnut Oaks Middle School is an evolving mecca of academic excellence. The home of the Falcons consists of grade level buildings and shared Related Arts, Media Center, and front office buildings on a beautiful campus encompassing 131,000 square feet. Our teachers participate in collaboration and team teaching. Chestnut Oaks Middle School fosters a safe learning environment where the focus is on seeking excellence, opting to use good manners, activating listening skills, and respecting self and others (SOAR).

Chestnut Oaks Middle School is proud to be named a Palmetto Silver Award Winning School for the third time in the school’s history. Twenty five eighth grade students earned high school credit for English I and/or Algebra I. Our students in Future Business Leaders of America (FBLA) participated and won on the regional and state levels. Three students placed at the state level in three different divisions. Two of our band students were named to the Sumter School District Middle School Honor Band. The number of students recognized in our academic assemblies for student achievement in class and benchmark scores as well as attendance has increased each semester. Our PTSA has conducted meetings in the two of the communities in which our students attend in order to engage more parents in the meetings. Our students took part in college visits to South Carolina State University, USC School of Law, and USC Sumter. Representatives from Central Carolina College, SC Governor’s School for the Arts and Humanities, and Morris College came to Chestnut Oaks this year to share information with our students.

Chestnut Oaks Middle School will continue to foster and promote student academic and character excellence. We will continue to engage our parents and community by conducting workshops in the community. We will continue to set academic goals and monitor our progress in attaining these goals. As a community of learners, Chestnut Oaks Middle School will promote and be a center of excellence in academics, service, and character education.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>12.5</b>
<b>Overall Grade Conversion</b>	<b>F</b>

70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
