Report of Principal and School Improvement Council

Kingstree Middle School's goal is to provide the highest quality instruction in academic standards. Teachers used the Measures of Academic Progress (MAP) tests and quarterly benchmark testing to monitor students' growth in all core areas. Students who have areas of weaknesses received interventions in reading and math through small group instruction.☒

☒

Kingstree Middle School provided a number of instructional programs for students who were not meeting their academic goals. These programs included the 21st Century After-school program, Saturday School and Classworks curriculum lab. All lessons and activities were aligned with the State standards, as we move toward the Common Core standards. In addition, two full-time guidance counselors continued to provide academic, social and personal assistance for our students.☒

☒

Other programs and activities that were provided to help build our students' character and prepare them to survive in a constantly changing and diverse world included: The Parenting Program, Teen Life, RBHS and our Foster Grandparents Program, through the local Vital Aging Commission, which allows our older generation to pass knowledge and character to our younger generation. ☒

☒

Our students received numerous academic awards this past school year. A few of these recognitions include students representing our school at the Pee Dee Region Spelling Bee Contest, Mock Trial Competition, and the Pee Dee Academic Challenge Championship. We are also very proud to have two Junior Scholars.☒

☒

Kingstree Middle would like to thank all our parents and community members for their effortless support that they have shown us this school year.☒

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	39.5
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Kingstree Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
