Report of Principal and School Improvement Council

The 2013-2014 school year was a time of challenges and recognition for Castle Heights Middle School. We set high goals for continued academic achievement while implementing a range of district –wide initiatives.

☐

The instructional program was based on the Common Core standards approved for use by the state in this coming school year. The implementation of these standards required intense teacher training for varied approaches to student writing and for the integration of skills and topics across the content areas. We also fully implemented the iRock program in which iPads were distributed to all students and staff members. The challenge for both teachers and students was to learn to use the new technology effectively to continue to make academic gains. The school expanded use of Challenge Based Learning in which students used research, peer review, and writing skills to explore community-based projects such as a study of local water sources, a cooperative education effort with the Humane Society, and an exploration of the Catawba Nation culture.☐

☐

Our students remained committed to community service. We continued service projects such as collection for the Catawba Nation Food Bank, a welcome program for our rising sixth graders, and the collection and decoration of hundreds of shoes for children in Nicaragua. ☐

☐

Our commitment within the school is to the service and education of young adolescent students. We have continued revision of our health and physical education programs to better serve the students, and we began a new health-conscious approach to fundraising through our Castle Color Run. We have expanded and revised student recognition programs and added extracurricular activities. ☐

☐

We are very proud to announce that our school was yet again recognized at the state and national level as an outstanding middle school through the Schools To Watch program. The students, parents, and staff are justly proud of this prestigious award.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	68.3
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Castle Heights Middle has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
