Report of Principal and School Improvement Council

Rawlinson Road Middle School (RRMS) continues to be committed to ensuring the development of the unique potential of each student. Our goal is to develop our students as lifelong learners through a comprehensive and challenging education program that embraces engaging, meaningful practices. Our team structure of the core academics creates small learning communities for our students. Our exceptional fine arts, academic, and athletic programs continue to provide opportunities for our students to showcase their intelligence and skills in all areas. ☒

☒

Our school continues to address our achievement gap goals developed through our participation in the Making Middle Grades Work initiative and our School Improvement Plans. Our faculty is involved in continuous professional development to ensure that our students are engaged in their instruction. This year, teachers participated in multiple technology sessions in order to incorporate iPads, Discovery Ed techbooks, and Challenged Based Learning in their classroom instruction. Additionally, our teachers continued to receive professional development on the Common Core standards. Our team data notebooks include students' assessment data, specifically MAP, PASS and course performance, to provide our teachers with vital information in a visual manner. Collaborative planning for instruction both at the team level and grade level continuously takes place to maximize student learning. Our enrichment period allows our students to receive academic support based upon MAP testing results, data that identifies and addresses the academic needs of our students. During that time, we also are challenging our identified Gifted and Talented population with engaging activities geared toward students' areas of strengths.

☒

Response to Intervention strategies at RRMS include use of Compass Learning, a re-teach and re-take policy, Lunch and Learn, and the use of performance at the mastery level grading policy. Our teachers are using programs such as IXL and Moby Max to enhance and monitor our students' learning. We have several mentoring programs in all grades to help students over the most difficult times. Our Watch Dog Dads program continues to be very successful this year; we have had many fathers to participate. ☒

☒

RRMS students, staff and community participated in service learning and charity projects this year. We also participated in our district's Back the Pack food drive, Christmas charities, and Special Olympics, to name a few. As part of a school-wide "Long Walk to Water" Challenge Based Learning project, our students and staff raised over \$5000 to help build a well in the South Sudan. Our SIC and PTO continue to support our efforts at RRMS through volunteer hours and fundraising, ensuring that our school meets the needs of our students, teachers, and community. ☒

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	81
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Rawlinson Road Middle has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
