Report of Principal and School Improvement Council

Dutchman Creek Middle School continues to be one of the fastest growing middle schools in York County. Our continual growth is a reflection of the outstanding support of our community and the diversity of our staff. We've celebrated school wide gains for our improvements with the Measures of Academic Progress (MAP) assessments and have earned the distinction as a Palmetto Gold school for three consecutive years.

At Dutchman Creek Middle School, we thrive on our customer service model. Our goal is to ensure that we provide an excellent education for our stakeholders. Our visibility, availability, and daily character education reminders helps to reduce discipline infractions. Dutchman Creek has adopted the Professional Learning Communities philosophy, which allows teachers to make data based decisions in regards to instruction.

Student achievement is a top priority at Dutchman Creek. The South Carolina Junior Scholars Program was developed by the South Carolina Department of Education to identify 8th grade students who have extraordinary academic talent for involvement in advanced programs. 15 of our 8th grade students earned the honor of being named South Carolina Junior Scholars for the 2013-2014 school. We also had 84 7th grade students who qualified to participate in the Duke University Talent Identification Program.

We also take great pride in the arts! Our band, chorus, and orchestra all received the highest rating of Superior at their respective state assessments. Members of the DCMS chorus received Superior ratings from all judges at the Carowinds Music Festival and the Bel Canto Choir earned all Superior ratings at the South Carolina Music Education Association Choral Festival. In addition to two major performances this year, the Theatre Arts department at Dutchman Creek Middle School attended the South Carolina Speech and Theatre Competition for the first time. The group received a 1st place award in the newcomer category. Our students received six awards at the Center for the Arts Teacher's Choice Art Exhibit where they competed against all other middle schools in Rock Hill.

DCMS students and faculty continue to make a difference in our community. Students raised over \$10,000 for Pennies for Pasta and for specific families in our community this year. They also collected five 55-gallon drums of supplies for military families in the 178th Engineer Battalion at the Rock Hill Armory. We are very appreciative of all the community support to have programs like Faculty Fathers, DCMS 5K, and Gators Rip the Runway fashion show.

We also take pride in our athletes! The DCMS athletic department won conference championships in 7th grade football, 7th grade volleyball, wrestling, 8th grade girls basketball, and girls track. Of the 220 students we have participating 94% maintain a 3.0 or higher GPA. We excelled in every area this year!

As we prepare for our seventh year, we will continue to focus on increasing the levels of achievement for our students and families, continue to provide a nurturing environment, and maintain a "Customer Service" philosophy.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	82.1
Overall Grade Conversion	B

90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
