Report of Principal and School Improvement Council

It is the mission of the Cyber Academy of South Carolina (CASC), a high-quality, full time online public charter school, to be accountable for developing each of our student’s full potential by utilizing research-based technology applications, meaningful teacher/student/parent involvement, and engaging, individualized learning. CASC opened in the 2013-14 school year enrolling grades K-9 students from across South Carolina. We will add one grade level per year of operation, and will serve grades K-12 in the 2016-17 School Year. Any student qualified to attend school in South Carolina in the appropriate grade will be eligible to attend CASC.

CASC seeks to ensure that all teachers are South Carolina-certified (and NCLB Highly Qualified). CASC teachers provide daily guidance, instruction, and support to students and their “learning coaches” (a parent, or another responsible adult designated by the parent, who helps guide a student through their daily coursework) via email, telephone, in person, and during synchronous web conference learning sessions. Each student has an Individual Learning Plan (ILP) with her/his own learning goals. K-8 grade students study Language Arts/English, Mathematics, Science, History, Art, Music and World Languages. The school offers more than 150 high school courses in Math, English, Science, History and World Languages in multiple levels, remediation and credit recovery courses, and electives.

The school’s education program combines lessons accessed on the Internet with hands-on materials. Students receive the course content, instruction, assignments, assessments and supplemental materials online as well as hands-on materials kits shipped directly to the student free of charge. Students meeting eligibility requirements may be able to request and check out a computer and printer and receive Internet cost reimbursement while enrolled at the school.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	N/A
Overall Grade Conversion	I

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Cyber Academy of South Carolina has been designated as a:

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
