REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Dillon Middle School continued teaching two researched proven academic reading programs for the 2013-2014 school year. These two reading programs, Success For All and Scholastic's Expert 21, have shown a steady increase of student reading levels over the last four years. This year alone, students reading on grade level has increased by 20% according to SRI scores. We continue to implement the Balance Literacy program into our English Language Arts and Social Studies classes. Hands on manipulatives were used in Science and Mathematics. Dillon Middle School continues to excel in Algebra 1 with 100% passing rate among our students. Parents and community partnerships are an integral part of our school environment as well.
