REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Boiling Springs Middle School is a student-centered school community that allows students to reach their full potential. During the 2013-2014 school year, enrollment for sixth, seventh and eighth grade totaled 1,092 students. Our school community celebrated numerous successes from the classroom to the fine arts stage to the athletic fields. Our focus is to make decisions that are best for all children.

Our academic successes were measured by the Measures of Academic Progress (MAP) and state testing from the previous school year. Our ESEA score was 96.6 out of 100. We were awarded the Palmetto Silver Award for Closing the Achievement Gap. We were one of the Palmetto’s Finest Finalists for 2013-2014. Over 130 eighth graders were enrolled in high school credit courses. Students achieved a 100 percent passing rate on the End-of-Course test in English I and Algebra I. We recognized 26 eighth graders who earned Junior Scholar status the PSAT. Six eighth graders were chosen to attend the Scholar’s Academy at USC Upstate, and four eighth graders were invited into the inaugural class of the Spartanburg County Middle College High School at Spartanburg Community College. One of our eighth graders was recognized as the Outstanding Athlete at Special Olympics this spring. Math Counts finished in the top four of their competition, and Battle of the Brains finished in the Elite Eight.

Our school community is fortunate to offer a multitude of fine arts opportunities with over 300 students participating. Our seventh grade chorus received an excellent rating at the South Carolina Choral Directors Association, and our orchestra received excellent ratings as well. The arts department participated in several community art shows and designed a new mural for our school. Our Junior Beta Club competed at the SC State Beta Club Convention, and one of our seventh grade students was elected SC Junior Beta Club President. Four seventh graders placed in the Top Ten of the SC Dialogue Essay Contest. Two students took first and second place and won a trip to Turkey along with their ELA teacher. The Student Council and Junior Beta Club lead our student body in several community service projects. Our school collected over \$2,500 for the Christmas Elf project. Our students also participated in Pink Day for Breast Cancer Awareness, and we donated over \$300 to our local breast cancer treatment facility.

Parent involvement is an integral part of our school community. Our parents supported our students and school by attending Meet the Teacher Night, parent conferences, fine arts performances, athletic events, and numerous other opportunities. Our PTSO was a tremendous asset in numerous ways. The organization sponsors Student/Teacher Spotlight each grading period, and they recognize students and teachers for achieving academic, athletic, and community accolades.

Boiling Springs Middle School is a student-centered community. Our students, teachers, and parents are proud members of our Bulldog nation, and we strive to be leaders of the pack.
