Report of Principal and School Improvement Council

Dear Parents/Guardians and Supporters of Homeland Park Primary School,

Homeland Park Primary is a Title I School located in the southernmost part of Anderson County and serves 380 students in grades K-2. ¶

¶

Homeland Park served its students by providing the teachers with tools and strategies to support their lessons. The school utilized the Anderson Five Approved Curriculum to enhance student learning. Teachers at every grade level engaged in collaborative planning sessions weekly to ensure they were delivering age appropriate, standards-based lessons. Three Reading Recovery teachers served first grade students who had been identified as at-risk readers. In addition, our resource teacher worked alongside the regular classroom teachers to help special education students master grade-level standards. Thinking Maps were also utilized to address the different fundamental thinking processes. ¶

¶

Students participated in the Measures of Academic Progress test (MAP) in the fall, winter, and spring. Teachers used these results to help differentiate instruction in reading and math. After each administration of the test, teachers and administrators met to assess the needs of students and to provide assistance and enrichment for all learners. The school provided a morning academic program in which students took part in additional instruction to enhance student learning. Small group instruction in the classrooms was also used to focus on the needs of individual students. ¶

¶

Safety is always a major priority for our faculty and students and this year surveillance cameras were added to our facility. The renovations also created one entrance for visitors to enter the school. All visitors had to sign in and a background check was completed before they could interact with the faculty and students which also increased the security of our building. ¶

¶

We believe that building a strong school-home community is vital to the success of our students. For that reason, we actively seek parental and community involvement in all school activities. Parents, students, and faculty/staff members participated in various events this year such as Veterans' Day Celebration, Grandparents' Day, Awards days, Fall Festival, a book fair, and monthly parent luncheons. Through the tireless efforts of our students, teachers, parents, and community, Homeland Park is making great progress. ¶

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	78.7
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator for Title I Schools

Homeland Park Primary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in student subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
