Report of Principal and School Improvement Council

Dear Parents/Guardians and Supporters of Goose Creek Primary,

2013-14 proved to be a year filled with growth in the areas of student achievement, professional development and positive school climate for our growing student body and staff. Our focus on learning was evident in classrooms, computer labs, the media center and extended to our hallways, playgrounds and interactive garden. Our students enjoyed diverse opportunities in the arts and sciences as they attended plays, performances and hosted guest speakers like Benjamin Franklin, The Tooth Fairies, The Star Lab, Roving Reptiles and Wildlife, Chinese Acrobats and explored the natural treasures of Cypress Gardens and the Isle of Palms. Our students demonstrated good citizenship and generosity by participating in various philanthropic activities such as collecting canned goods for the Lowcountry Food Bank, contributing to Pennies for Ponies and raising over \$6,000 for the American Heart Association. Teachers and staff continued to support the American Cancer Society as well as The Trident United Way. Through these activities the children learned respect, acceptance, generosity, compassion, kindness, responsibility and perseverance. As a PBIS school our students were taught the essentials for successful learning through the expectations of being respectful, responsible and ready to learn. With consistent positive reinforcement and clearly defined expectations our discipline referrals were reduced by over 50%. Classroom teachers continued to participate in bi-weekly Professional Learning Team meetings where they studied the Common Core State Standards, discussed student achievement and growth data and planned interventions and lessons for enrichment. Throughout the year our teachers participated numerous trainings, seminars, graduate school classes and state-wide conferences. With support and resources in our Title I program, we were able to provide an exciting series of Family Nights. Parents and children enjoyed Family Reading Night, a Measurement Fair, Science and Math Night, Technology Night and a program geared toward keeping skills fresh during the summer. Throughout the summer our media specialist hosted "Chill Out With Great Books" twice weekly giving our students and their siblings a cool place to listen to fun stories, check out books and grab a tasty snack. Academically speaking, our child development students learned about their world through engaging and interactive learning centers featuring puzzles, games, blocks, dramatic play, music, movement, scientific inquiry and art. The curriculum, strongly infused with high-quality children's literature, provided the foundation for our four-year olds to increase their vocabulary, comprehension, listening skills, and expressive language. Immersed in a language-rich environment, our kindergarten students learned not only their ABC's, but by the end of the year, most were reading simple books on their own. Our first graders worked on building automaticity with basic addition and subtraction facts and with reasoning and logic they were able to solve complex problems using a variety of strategies. Being able to communicate how they arrived at their answers was also stressed as our first graders learned to apply their math skills to solve real-world problems. Our second graders stretched their imaginations, flexed their vocabulary and crafted genuine stories as they demonstrated the use of writing conventions, plot development, voice, author's purpose and creativity. Goose Creek Primary has so much to be proud of from the opportunities our students have for learning outside the classroom, to ample technology, abundant resources, and the talented team of professionals committed to meeting their individual needs. We look forward to another year of learning and growing together. ☺

☺

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	64.7
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator for Title I Schools

Goose Creek Primary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in student subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
