**Report of Principal and School Improvement Council**

Dear Parents/Guardians and Supporters of J.L. Cain Elementary,

J. L. Cain Elementary School is committed to meeting the academic, social and individual needs of all students. The goal of the faculty and staff is to teach, nurture, and motivate each student to become successful, life-long learners. Cain Elementary offers an environment that is safe, student-centered, challenging, engaging and meaningful. Parents and community members assist in meeting students’ needs by providing support through the Title 1 School-wide Management Team, PTO, School Improvement Council, the volunteer program, Principal’s Chats, conferences, and other special events.

As a Title 1 school, J. L. Cain provides professional development opportunities based on teacher/student needs and best educational practices. Teachers attend workshops, conferences, book talks, grade level and vertical team planning, and enroll in courses. These opportunities allow teachers to improve and enhance their skills and instruction and to have a positive impact on student learning. Math instruction and literacy growth were the focus this year in professional development.

The Common Core State Standards were implemented this year and became the basis for Cain’s instruction. The focus of instruction had a stronger emphasis on literacy, writing, research, math problem solving, higher order thinking skills, and technology integration. The reading intervention program continued this year to assist at-risk readers in first grade. SuccessMaker and Waterford computer programs continued to supplement reading and math.

Character education and a positive approach to discipline were also a focus of Cain’s curriculum and instruction. Faculty, staff, students, and parents participated in service learning projects such as: collecting staple goods for a community food center, collecting food and supplies for the local animal shelter, collecting gifts for needy families, and Operation Christmas Child. The students also participated in the Terrific Kids Character Program and Taking a Stand Against Drugs program.

To meet the diverse needs of students, Cain Elementary offered opportunities for students to participate in extra-curricular activities such as: musical performances, art exhibitions, Fine Arts Night, field trips, field day, spelling bee, math bowl, and May Day. Students also participated in after school science workshops and the district-wide art competition. These activities helped to instill respect and a sense of pride for self and others.

J. L. Cain Elementary will continue to provide a strong academic learning environment that meets the needs of all students and to strengthen home-school-community relationships.

Carla Watford, Principal

Sandra Pauley-Price, School Improvement Council Chairperson

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>88</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator for Title I Schools**

	Title I Reward School for Progress - one of the schools with substantial progress in student subgroups.

	Title I Priority School - one of the 5% lowest performing Title I schools.
