Report of Principal and School Improvement Council

Dear Parents/Guardians and Supporters of Lamar Elementary,

Lamar Elementary School staff started the year with much excitement as we prepared for the 2013/14 school year. Through hard work, dedication and assistance from Title One, improvement continued.

□

The Student Success Team continued to assist children. Kindergarten, first and second grade students received assistance through the SuccessMaker program in the computer lab. Kindergarten, first and second grade students were also assessed with MAP in the lab as well.

□

An interventionist assisted first grade students that struggled in reading using the Fountas & Pinnell Leveled Literacy Intervention program. All kindergarten and first grade students were given Reading Mastery to improve reading scores.

□

All students were assessed using the Dominie Reading Assessments three times during the school year. Teachers have been trained in the Reading Mastery program. Through the Treasures reading series and Title One assistance, all students received small group reading instruction.

□

Mrs. Sandy Langley was named Teacher of the Year. Out of our 24 teachers, six teachers have a Masters plus thirty, ten have a Master’s Degree, seven have bachelors and one teacher is Nationally Board Certified.

□

The Lamar Elementary PTA continued to support the school by helping fund a Family Fun Day, Teacher Appreciation Week, Fall Festival, Fancy Nancy and All Star Sports Nights and various other needs of the school. The school instructional program and climate continued to be supported by the School Improvement Council.

□

We will continue to strive for excellence as we educate all our children to the best of our abilities.

□

Garry Flowers, Principal

□

Julia Hudson, School Improvement Council Chairperson

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	89.3
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator for Title I Schools

Lamar Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in student subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
