**Report of Principal and School Improvement Council**

Dear Parents/Guardians and Supporters of Pate Elementary,

Excellence continued at Pate Elementary during the 2013-2014 school year. Our school excelled in meeting the needs of all students, provided quality professional development for the faculty and staff and involved parents in the academic growth of their children. Pate’s PTA plays a vital part in the success of the school. Funds were provided to create a welcoming and caring school environment.

Professional development was essential to Pate teachers this school year. All teachers continued their training in best practices in literacy instruction. Literacy instruction continued to be a primary focus for the faculty and staff. Our professional development was enriched by our participation in the High Progress Literacy Classroom again offered by the South Carolina Department of Education. We also attended workshops offered by the South Carolina Department of Education.

Integrating the school-wide Title I project enabled the school to continue its focus on parent involvement and also, provide quality instructional programs. Title I funded the parent involvement activities throughout the year. The SuccessMaker computer lab software was maintained. Workshops provided parents with methods to assist their children for continued success. Special events for parents included our annual “Writing Fair” to showcase student work; a “Daddy/Daughter Dance” for fathers and daughters; and other family-themed nights.

The character education program was evident in the daily activities of the school. Each day the Code of Ethics was recited, character words of the week were emphasized and character-building activities for parents and students to do together were provided in the monthly newsletter. In addition, a school-wide theme of Ready, Respectful, and Responsible continued during Morning Meetings in each classroom in order to instill in our children the qualities of good citizenship. This provided an avenue for teachers to emphasize positive and appropriate school behaviors. Student excitement was evident each day as the students received accolades for exhibiting these character traits.

Our school received an Excellent State Report Card rating from the SC State Department of Education. We applied again and won the title of an Exemplary Writing School. Mrs. Irby DuBose was chosen as the Teacher of the Year. Our custodians continued to receive recognition as they earned the "Clean School of the Year" from our school district for the fourth consecutive year.

These accomplishments, along with many not stated, make Pate the distinguished school that it is. We believe that the success of Pate Elementary is the result of the support provided by our parents, community, students, and faculty. We have high expectations of our students, parents and ourselves as we continue our journey of EXCELLENCE!

Emily Lunn, Principal  
 Janeen Thomas, SIC Chairperson

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>87.8</b>
<b>Overall Grade Conversion</b>	<b>B</b>

60-69.9	D	Performance does not meet the state's expectations.

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in student subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
