**Report of Principal and School Improvement Council**

Dear Parents/Guardians and Supporters of Myrtle Beach Primary,

The mission of Myrtle Beach Primary School is to inspire lifelong learners and leaders. Our specific challenge is to meet the developmental needs of young children by addressing their social/emotional growth, improving academic programs and enhancing the school environment. We seek the involvement of our families and community in promoting these goals.

Our school has implemented the Leader in Me model. The Leader in Me is a whole-school transformation model which is based on the 7 Habits of Highly Effective People by Stephen Covey. We infuse the 7 Habits into our curriculum, traditions, systems and the culture of Myrtle Beach Primary. At Myrtle Beach Primary we have students who are responsible, show initiative, solve problems, work as a team, and know how to set goals and meet them. All students are encouraged to follow our school motto - Myrtle Beach Primary Seahawks are Respectful, Responsible, and Ready! Myrtle Beach Primary recently accomplished becoming a Leader in Me Lighthouse School. There are more than 1,300 schools in the process of using this model to foster student leadership and only 55 schools from around the world have earned the distinction of being named a Lighthouse School. Lighthouse recognition comes because of the results a school is achieving and the impact it is having on staff, students, parents and the greater community.

Our academic program emphasizes learning to read and beginning numeracy. Students receive systematic literacy instruction through the Imagine It! reading program. Our students participate in district diagnostic testing using the CIRCLE assessment in Child Development and the DIBELS Next assessment in Kindergarten and First Grade. An integral part of our program is the participation of professionals and paraprofessionals in staff development throughout the school year. At MBP we analyze data when developing programs for students and training teachers to improve student achievement.

The PTO and School Improvement Council are committed to assisting the staff in promoting a quality education for our students. Volunteers work in the school as Reading Friends, tutors and teacher/office assistants. The PTO sponsored a successful fundraiser and other family events this year. Also, students, staff, parents and the community are to be commended for their participation in helping raise money for The March of Dimes, United Way, The American Heart Association and The American Cancer Society. Finally, 100% of our parents signed Parent-Student-Teacher Compacts and attended parent conferences.

It has been a remarkable year at Myrtle Beach Primary. We are proud of our accomplishments with students, look forward to a successful 2014 - 2015 school year, and invite you to visit MBP and become part of our Seahawk Family!

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>86.7</b>
<b>Overall Grade Conversion</b>	<b>B</b>
