Report of Principal and School Improvement Council

Dear Parents/Guardians and Supporters of Easterling Primary School,

Easterling Primary School "Where Little People do Big Things," is home to approximately 840 students ranging from pre-kindergarten through second grade. With strong instructional focus by dedicated staff and community support, this school continues to excel and be successful. Easterling has been recognized at the state and national level through awards such as a Palmetto's Finest School, a Red Carpet School, a Flagship School of Promise, a National Blue Ribbon School of Excellence, a National School of Character, and a National Bronze Level Healthy School. Several initiatives have influenced our successes this year including a daily school-wide academy time focused on small group reading and math, a continuation of growth with MAP data school-wide, the strength of our intervention program with progress monitoring of the data, and the use of achievement data to drive instruction and training needs of staff. The Wee Foxes have enjoyed another year of outstanding successes. This year we made great gains in our MAP data in both ELA and Math. We met our school wide goals in both first and second grades in both content areas. We credit collaboration among our teachers in planning teams with the new Common Core Standards and an increased focus in writing to these gains. With renewed training and focus on PBIS model for discipline, Easterling Primary School saw a 38% decrease in the total number of discipline referrals from the previous year. Finally, our students benefited again this year with a healthy fruit and vegetables snack through a Food Service grant the school was awarded for the fourth year. One challenge Easterling faced this year was an increase in student enrollment which created an increase in class size in our kindergarten and first classes. This continues to create a challenge for our teachers to work with small groups in the classroom. A need for next year is to continue training with the Balanced Literacy Model and the Lucy Calkins writing model for all staff. Another need will be to continue to address the math needs school-wide for our staff and students through professional development and curricular changes. We appreciate the generous support of our parents and community. It is crucial to the success of our students and school. ☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	56.1
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator for Title I Schools

Easterling Primary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in student subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
