Report of Principal and School Improvement Council

Dear Parents/Guardians and Supporters of Edisto Primary School,

Edisto Primary constantly strives to provide nurturing and excellent teaching and learning opportunities for the school's young students. The administration, faculty, staff, volunteers, parents and community members work together to help students achieve excellence and academic success. The school has received accreditation for the past forty-three years through the Southern Association of Colleges and Schools. Edisto Primary is a Red Carpet School winner. ☐

☐

The educational program of the school has been strengthened through district level instructional literacy and math coaches who provide professional learning group collaboration which offers times for teacher reflection and new learning in the areas of instruction and assessment. Every certified teacher participates on DATA TEAMS. Attention to Common Core State Standards, small-group instruction, hands-on explorations and student engagement have enhanced the school's focus on the growth of young readers, writers and thinkers. Students are aware of their continuously changing reading level and are directed to books which give them opportunities to practice reading strategies and move to the next instructional level. They are involved in discovery learning through the use of science kit materials and math manipulatives. Having a school level reading interventionist has proven very beneficial to students and helps to complete the Response to Intervention (RTI) model of the school. The addition of a behavior interventionist/administrative assistant had brought about much needed improvement in the area of student behavior of the school's young students.☐

☐

MAP (Measures of Academic Progress) assesses kindergarten through second grade students through on-line testing. The data generated by this assessment is used to design instruction on individual and small group instructional levels. The addition of this tool has helped facilitate improvement in reading, writing, math and language.☐

☐

Monthly "Spotlight on Success" nights, math game nights, grade level programs, newsletters, regular family conferences and home visits have strengthened the partnership with parents and other community members through connection and improved communication between the school and the wider community. Continual improvement in this area is an on-going focus of the school.☐

☐

The combined primary and elementary School Improvement Council continues to enhance the school relationship between the community, parents, children, and staff with more School Improvement Council (SIC) sponsored activities. Projects includes but are not limited to collecting Campbell's Soup labels, Box Tops for Education, donation of books to children, and SIC incentives for children and teachers.

☐

The school continues to use the Positive Behavior Intervention Support model. Edisto Primary continues to face the challenges of improving test scores and student attendance as well as motivating students to achieve to their fullest potential in all areas. These are challenges which we willingly and confidently embrace as we boldly lead our young students into their future.☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	33.6
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator for Title I Schools

Edisto Primary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in student subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
