**Report of Principal and School Improvement Council**

Dear Parents/Guardians and Supporters of W. M. Anderson Primary School,

The entire W. M. Anderson Primary School community is to be commended for their initiative, dedication, and hard work during the 2013-2014 school year. Successfully educating children is hard work and takes a strong commitment from the entire community. It is one of our goals to actively engage everyone in this educational process on a regular basis. Making a difference with each individual child is our complete focus and it is our mission to ensure that we develop life long learners who are respectful, responsible, and productive. These are the attributes we feel strongly will propel our children into great success and prosperity. We know that these children are the answer to tomorrow’s problems and they must be provided the necessary tools to meet the challenges. We have an outstanding group of dedicated educators here in our school, as well as in our feeder school, who accept this as an absolute truth, and work diligently daily to ensure the needs of our students are met.

Over the years, we have achieved many accomplishments and we are still committed to achieving academic excellence. We are still committed to early literacy; implementing a balanced literacy program; increasing the number of students reading using a literacy-based supplemental initiative called Project ENCORE; utilizing an Explicit Direct Instruction (EDI) instructional delivery model; increasing the use of various instructional technologies; and receiving an “All Clear” status from the State Department of Education.

We are fortunate to have a very active Grandparent Volunteer Program; Parent-Teacher Association (PTA); School Improvement Council (SIC); Title I Advisory Board; and an active 21st Century Learning Community Center Advisory Board. As we look toward the 2014-2015 school year, we anticipate strengthening our relationship with these entities and soliciting their continued support in implementing the various programs in which we engage our students.

Mrs. Ivy Jordan, School Improvement Council Chairperson

Dr. Teresa H. Wright, Principal

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>63.2</b>
<b>Overall Grade Conversion</b>	<b>D</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator for Title I Schools**

W. M. Anderson Primary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in student subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
