

## Pickens County Career & Technology Center

990 Chastain Road

Liberty, SC 29657

# South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

<b>Grades:</b>	9-12 Career Center	<b>Principal:</b>	Ken Hitchcock
<b>Enrollment:</b>	1106 students	<b>Superintendent:</b>	Dr. Daniel B. Merck
<b>School Phone:</b>	864-397-4500	<b>Board Chair:</b>	Dr. Brian Swords

### Profile of the SC Graduate

#### World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences\*

#### World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

#### Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

### WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

*Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...*

The 2014-2015 school year has been exciting and filled with many successes and challenges. The School District of Pickens County is planning a STEM initiative that will touch every student. The PCCTC will be helping provide resources for our students at all grade levels. The PCCTC partnered with Alliance Pickens, Tri-County Technical College, the MCPC, and other industries to help provide a highly skilled work force for the future of Pickens County. We have offered more CTE programs for 9th graders this year. Our student organizations made a huge mark at the State and National level. FFA (Agriculture Science) finished in the top three in many competitions and participated in the State Convention at Clemson University and the National Conference in Louisville this past October. HOSA (Health Occupations) dominated the State Competitions in North Charleston and made a strong showing at the National Conference in Orlando. Skills USA had six State Champions that will attend the National Competition in Louisville in June. The PCCTC Electricity Instructor Brian Stewart was selected as the WYFF Golden Apple Award Winner for 2015. Many other instructors have been awarded grants to fund special projects and experiences for their students. We are proud of our parent and community support. We will continue to build relationships and opportunities with businesses in Pickens County. Our vision is 100% placement with our graduates into a career or college. Ken Hitchcock-Director Jeromy Arnett-School advisory Chairman

\* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

**KNOWLEDGE**

**ACT WorkKeys** is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. This table below shows the number of certificates at what level earned by **Career and Technology Education (CATE) completers at this Career Center**. Note that these data are self-reported by the Career Center.

In order to receive the National Career Readiness Certificate, a measure that indicates a student has the foundational workplace skills to succeed, a student must take three subtests in WorkKeys: Applied Mathematics, Reading for Information, and Locating Information.

Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments. A designation can only be earned after a student has taken the three subtests required for the National Career Readiness Certificate. The table to the right show the level score requirements for each certificate level.

Number of CATE completers at Career Center earning the National Career Readiness Certificate by Level	
Platinum	1
Gold	26
Silver	91
Bronze	24
Attempted, but no certificate earned	11

\* The three core WorkKeys subtests are: Applied Mathematics, Reading for Information, and Locating Information.

Certificate Level	Level Score Requirements
<b>Platinum</b>	Minimum score of <b>6</b> on each of the three core subtests*
<b>Gold</b>	Minimum score of <b>5</b> on each of the three core subtests*
<b>Silver</b>	Minimum score of <b>4</b> on each of the three core subtests*
<b>Bronze</b>	Minimum score of <b>3</b> on each of the three core subtests*

**Performance of all students at Career Center compared to State Center Average**

	Technical Skill Attainment			Graduation Rate			Placement Rate		
	This Center		State Center Average %	This Center		State Center Average %	This Center		State Center Average %
	n	%		n	%		n	%	
All Students	1040	94.2%	90.4%	219	97.7%	97.1%	556	94.8%	97.1%

NOTE: n=number of students on which percentage is calculated; t=number of tests taken.

**Definitions of Performance Rating Terms**

\* Technical Skill Attainment - The percentage of students enrolled in career and technology courses at the center who earn a 2.0 or above on the final course grade.

\* Graduation Rate - The percentage of 12th grade career and technology students who graduate in the spring.

\* Placement Rate - The percentage of career and technology completers available for placement over a 3-year period who are actually placed in postsecondary instruction, military services, or employment. Note: these data are self-reported.

Number of students at Career Center Earning National Industry Certifications
