

Williston School District 29

12255 Main Street
Williston, SC 29853

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

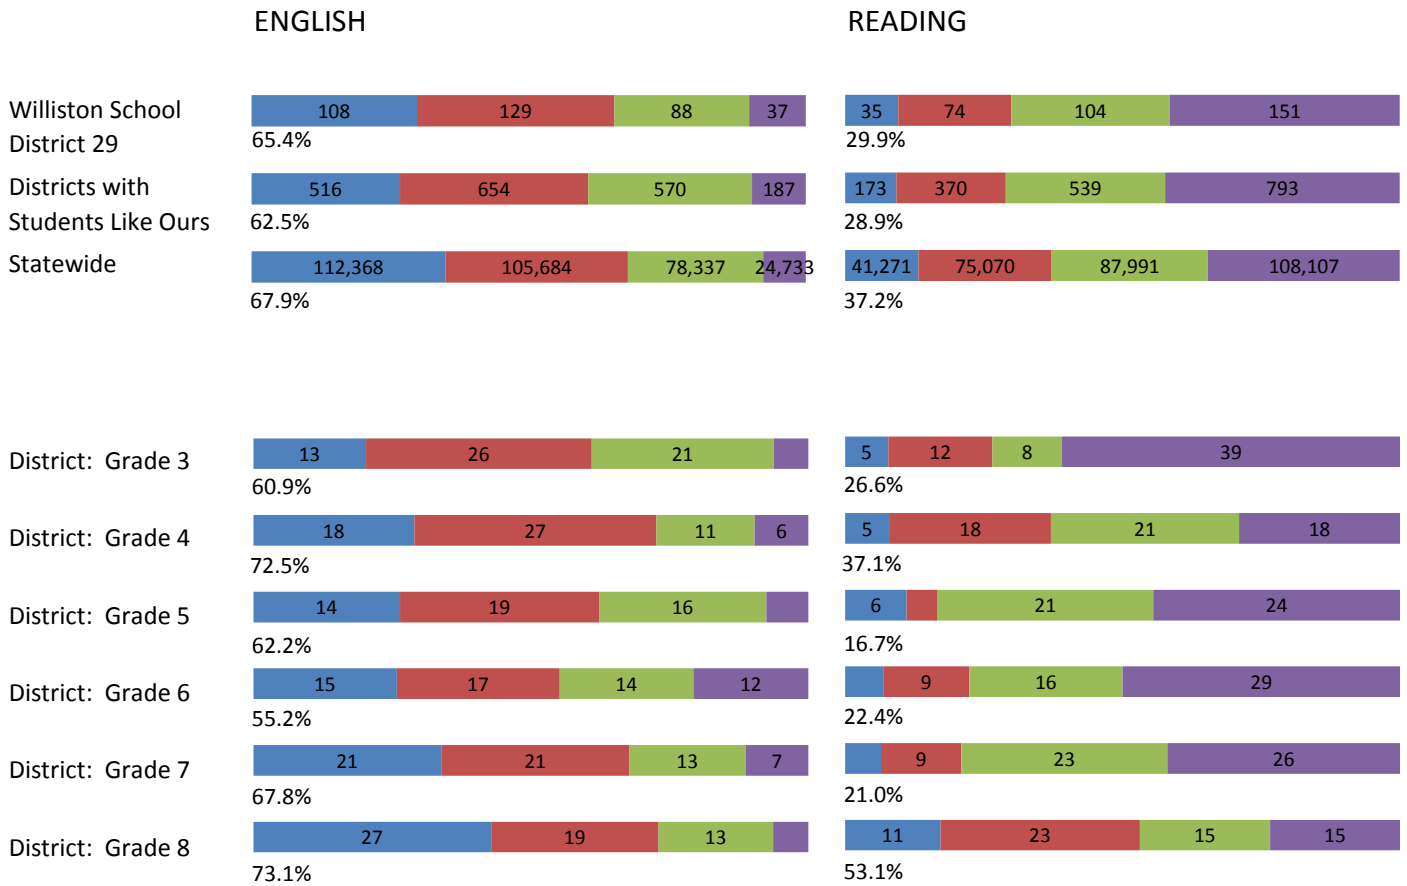

Our district is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Williston School District 29 continued its tradition of developing students with world class skills along with life and career characteristics that are found in the Profile of the South Carolina Graduate. This goes hand in hand with our mission of developing respectful and productive citizens by providing challenging and enriching experiences in a safe environment. Our district received a "B" rating under the federal accountability system and an "excellent" rating on our state report card in both the absolute and growth categories. We were one of only seven school districts in the state to achieve this rating. U.S. News and World Report ranked Williston-Elko High School 322 out of 500 high schools nationwide that beat the odds with students of poverty. Of the six South Carolina High Schools ranked on this list, our high school was number one. Williston-Elko High School also received 2 Palmetto Gold awards, one for overall academic achievement and one for closing the achievement gap. Our graduation rate continues to improve and our drop-out rate continues to decline. Our athletic and arts programs outpaced themselves this year with several athletic teams placing in the region and state and our drama department outdid themselves with their production of Sweeney Todd in the spring. Our band program continued its legacy of performing around the state and out of state in various parades and placed in many statewide competitions. We continue to cultivate our community partnerships and have a great relationship with our local businesses as well as the B.E.C. (Business, Education & Community) group that creates opportunities for our students through career awareness and assists us with meeting the profile of the South Carolina Graduate. Opportunities for the 2015-2016 school year include being a candidate for AdvancED district accreditation, transitioning to the new South Carolina College and Career Ready Standards in ELA and math along with yet another new state test which won't be announced until the fall of 2015. Our Board of Trustees is committed to providing quality facilities that will meet the needs for the future of our district and the quality of the education we provide for years to come. Thanks to all of our students, parents, faculty, staff, administrators, business, community and faith organizations for your continued support of our district. We look forward to a great 2015-2016 school year. Dr. Missoura G. Ashe, Superintendent

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.
