

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Chesterfield County School District is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a variety of learning opportunities for students to cultivate the social and academic skills needed. We expect excellence in academics, arts and athletics. Through these avenues students excel and gain valuable life tools to be college and career ready. Our 16 schools are committed to continuous learning through ongoing professional development. We have a focused effort on literacy instruction K-12. All K-8 schools employ a full-time literacy coach who provides professional development and instructional support. Schools vertically collaborate to discuss student needs to ensure smooth transition between grade levels and schools. Collaboration with Northeastern Technical College is key to providing students opportunities for dual credit. Through Career and Technology Education our students are afforded the opportunity to enroll in a variety of courses to prepare them for future success. Academic success is evidenced through Jefferson Elementary being named a National Title I Distinguished School. Two of our schools (Jefferson Elementary and Chesterfield High) were recognized as Palmetto Gold and/or Silver recipients. Our 2015 graduates were offered \$6,865,989 in total scholarship money. Chesterfield County School District completed the process and was awarded accreditation through Advanced Ed. Extra-curricular offerings help to develop students' skills in teamwork, interpersonal skills and work ethic. Our district has been named an ABC (Arts and Basic Curriculum) District. Other extra-curricular offerings include sports, clubs, band, chorus, and service learning. Proof of success is: 9 region championships in sports, McBee High girls' golf state championship, McBee High boys' track state championship, Chesterfield High's Band state championship, Outstanding Performance Awards for band at Cheraw High, Chesterfield High, and Chesterfield-Ruby Middle. Schools are involved in the community through projects such as Relay for Life, March of Dimes, blood drives, Adopt-a-Highway, and United Way. These projects are beneficial in developing students into responsible, productive, empathetic citizens who positively contribute to society. Though we have enjoyed a successful school year, we are never satisfied. Chesterfield County School District will continue to strive for nothing short of excellence. J. Harrison Goodwin, Ed. D

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.
