This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. Dillon School District Four is helping all students develop the world class knowledge, skills and life and career characteristics of the Profile of the South Carolina Graduate by teaching the South Carolina College-and Career-Ready Standards for English Language Arts and Mathematics.

In Dillon School District Four, our highest priority is to ensure a quality education for all students by providing opportunities that promote student success and life-long learning. There will be opportunities for improvement as we implement Year Three Update of the five-year District Strategic Plan and prepare for the new college and career readiness assessments, WorkKeys, and end-of-course exams.

Some of our accomplishments are:

- *Technology improvements included: promethean boards in many classrooms, wireless access at all schools, technology coach to provide training for teachers, the utilization of the ePortfolio System for teachers, podcasting, e-books, and IP based television delivery.
- *Twenty-one teachers have achieved National Board Certification (NBPTS).
- *New auditorium.
- *New district office.
- *New athletic facility with three new sport fields to accommodate the students at Dillon High School and Dillon Middle School.

Below are barriers that prevent ongoing student progress:

- *90 percent of our students are eligible for free or reduced price lunch.
- *Dillon School District Four is a rural community with a limited industrial base.
- *New construction and renovations are needed for elementary schools.
- *Implementing the No Child Left Behind (NCLB) federal requirements is to better serve all students.

Special thanks go to students, parents, staff, Board of Trustees, and the entire community for their hard work and support.

D. Ray Rogers, Superintendent
