South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

McCormick High School also had 8 students to graduate with high school diplomas and an Associate's degree through the Middle College program partnership with Piedmont Technical College. We began a partnership with John de La Howe to offer courses for their students within our high school. MCCSD is building a culture of collaboration focused on teaching and learning, staff empowerment, and success for all.
