# South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

### WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

*Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...*

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by embodying diverse students who are confident, ever changing, life-long learners. North Pointe Elementary has completed our third year as a school community and we have focused on building academic success through working with individual students on promoting their strengths and targeting their areas for growth. Our school is located on highway 81N, approximately 3 miles from the city limits of Anderson, South Carolina. Built in 2012, North Pointe is a two-story facility with 134,038 square feet on 37 acres. The school has 41 classrooms, 12 tutorial spaces, 5 labs (2 Dell PC labs, 2 iMac labs, 1 science lab), an auditorium, a gymnasium, cafeteria and a Learning Commons. Our SIC along with our PTO are integral parts of our school. We have established a culture of rich traditions for our students and families. We begin each year with a family event such as our September Spectacular which is our fall festival. Many family friendly activities such as "Milk and Cookies with Santa", "BBQ & Baskets", and monthly family nights are traditions at North Pointe. Students are the focal piece of our school. Student Council is a part of our decision making process at North Pointe. They host our 'Panther Press' - our monthly news show. They meet with administration, teachers and our cafeteria staff giving their opinions and viewpoints on many issues around our school. One of their favorite activities is checking out new menu options to provide feedback to our café manager. Our staff sponsored afterschool clubs enrich our students by offering running club, volleyball club, art club, Stock Market club, reading club and chorus to name a few. These options continue to grow as our staff expands and brings their interests to our students. Students look forward to each month being recognized on the morning announcements. We tie our character education program into a PTO supported breakfast for our "Good Citizens". Our reading coach identifies students in their writing who read their work at our "Author's Café". These moments across our school build community and show our Panther Pride as we help children grow. As our school sits predominately on a major state road into our community, as a focal point to show the trajectory of our future. As North Pointe and our school continues to grow, we will continue to look for ways to demonstrate our value as a school that concentrates on each individual child. Kelly P. Elrod Principal
