South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Joseph S. Shanklin Elementary School strives to provide a safe, caring, and engaging learning environment for all students in grades PreK-5. Our staff is committed to keeping teaching and learning as our top priority. With demands for increased academic rigor, we strive to provide students with world class knowledge and skills coupled with life and career characteristics that ensure college and career readiness. Our curriculum is fully aligned to the South Carolina College and Career Readiness Standards in order to provide greater opportunity for improved student achievement. Our Language Arts program consists of 120 minutes of instruction focused on a balanced literacy approach to reading and writing using the Daily 5 structure and Café strategies. We also use the Lucy Calkins Writing Program which challenges our students to become dynamic and creative writers. Elementary mathematics instruction is supported by the use of Everyday Mathematics providing a critical foundation for conceptual and procedural understanding of mathematics. Our students are provided opportunities to use a variety of assistive technology and tangible manipulatives to solve mathematical problems. Students are expanding their problem solving skills using Exemplars and writing about math. All classrooms are equipped with wireless internet, accessible digital devices and Promethean board technology which serve to further advance technology integration into the curriculum. Students in grades 3 through 5 each have their own digital device through our school district's Connect2Learn 1:1 digital device initiatives. Our students are afforded opportunities to work collaboratively using media and technology fostering collaboration and innovation through access to a variety of technology devices and programs along with the implementation of Lego Education products. Joseph S. Shanklin Elementary School has embraced and implemented The Leader in Me approach in developing a culture of student leadership. Based on The 7 Habits of Highly Effective People by Stephen Covey, The Leader in Me model emphasizes life and career characteristics needed for success. Accountability, self-direction, perseverance, work ethic, problem solving, communication and teamwork are taught and developed in our students. Developing a culture of leadership in our school is about inspiring students to be leaders and take ownership of their learning helping them to identify their own unique talents and abilities to make a positive impact in the world. The teachers and staff at Joseph S. Shanklin Elementary put an emphasis on service and provide support to our students as they become involved in the school and local community. Each grade level completed a service learning project this year to include-courtyard enhancement projects, collecting can goods for the local shelter, baking bread for Plant the Seed Ministries, and volunteering at the area senior citizen center to name a few. We welcome parents and community members to our school and have many ways to become involved. We have a dedicated and hardworking SIC and PTO as well as strong
