South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by meeting individual students' needs. The needs might be academic, social, emotional, physical, or a combination of them. We do our best to meet them all. Personalized learning, Project Based Learning, Genius Hour, Whatever It Takes directed learning time, Response To Intervention, fourteen clubs, counseling, social work, and collaboration in the community with Neighborhood Outreach Connection and other groups, all assist us in helping our students perform at the highest levels possible. Our arts programs are very strong, offering many opportunities for students to show their creativity and to perform. We are a technologically advanced school, with Lego and Sphero robotics, a MakerBot 3D printer, and one-to-one iPads for upper grades. Beyond that, our Media Center 2.0 boasts three ClearTouch screens, a 13,000 title digital library, and three Promethean ActivTables to engage students' imagination. Red Cedar is a very well-appointed school, but our real power is in our people. Our staff is prepared to do whatever it takes (our motto and the words we live by), as evidenced in our being named this year's Palmetto's Finest elementary school.

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.
