

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	PK-5 Elementary	Principal:	Reggie Terry
Enrollment:	553 students	Superintendent:	Mr. Michael L. Bobby, Acting Superinte
School Phone:	843-767-5914	Board Chair:	Mrs. Cindy Bohn Coats
School Website:	http://hunleypark.ccsdschools.com/		

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Hunley Park Elementary School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by working with families and community leaders to participate in a variety of academic and social activities to promote world class skills through our commitment to Personalized Mastery Learning. Our school's shared vision states "At Hunley Park, we will work together to achieve a safe, secure learning environment where students and staff are accepted and appreciated. We will strive to gain the critical skills and knowledge to be successful in the 21st Century."

Staff members attended workshops and conferences, enrolled in courses and visited other classrooms to enhance instruction as part of our development as we work toward meeting students' needs through Personalized Learning. Most of our third grade to sixth grade students participated in our after-school enrichment program for ACT/ASPIRE - PASS preparation in writing, math, ELA, social studies and science. Title I, PTA and SIC sponsored many events including Breakfast Events, Donuts for Dad, Muffins for Moms, Grits and Gravy for Grandparents, ACT/ASPIRE Informational Sessions, Black History Celebration, grade-level celebrations and a Science Fair.

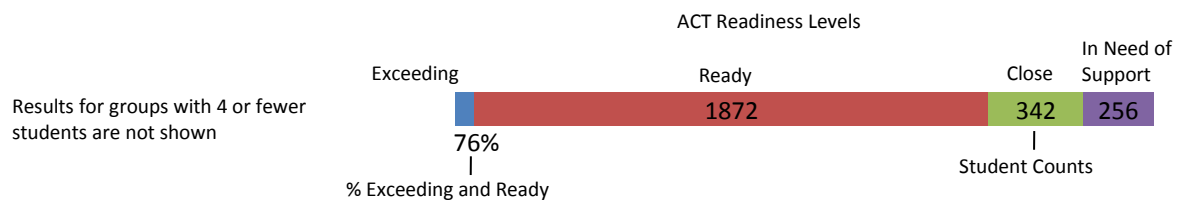

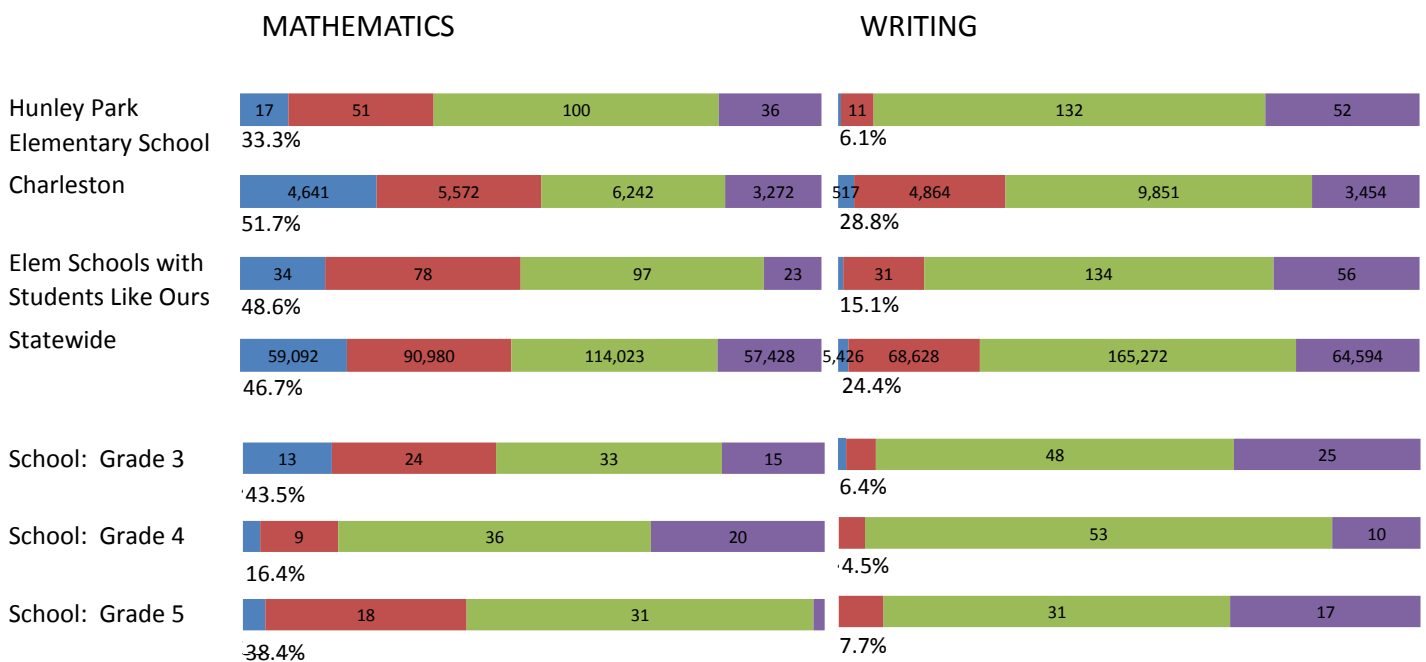

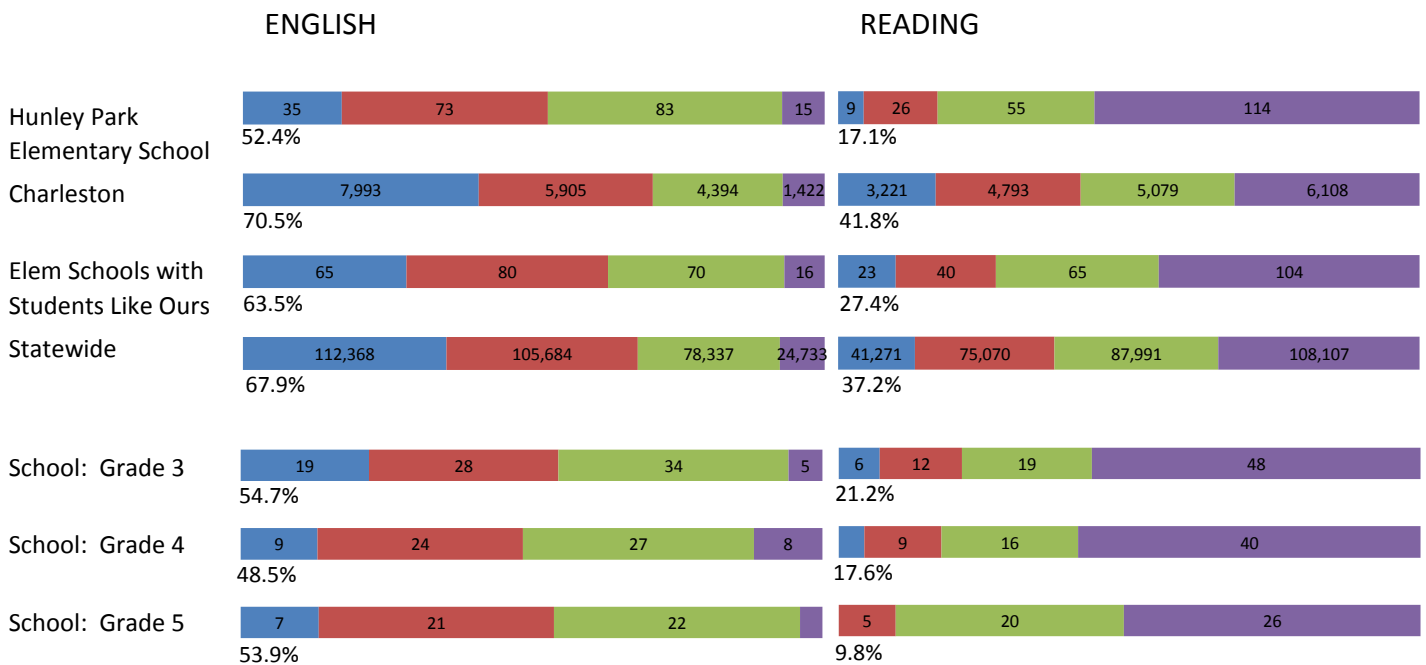

Positive Character Education and Response to Intervention (RTI) continue to be two major focuses for the school and the means of guiding our efforts in developing solid citizens. The 2014-15 school year reflects the growth of students moving out of the Red Zone and into the Yellow and Green Zones through interventions and more personalized learning strategies. The school's CORE Team met monthly to address the diverse needs of the student population both inside and out of the classroom. The school utilized several research-based intervention programs to assist struggling learners through the process of Reading Workshop and Writer's Workshop. The school implemented a Primary Grades Academy designed to provide prescriptive interventions in areas of literacy and math.

Hunley Park Elementary School is committed to the success of each child. Our students continue to show growth in all areas: academically, socially, and physically. We are committed to providing a child-centered and developmentally appropriate learning environment to ensure success for all children.

Reggie M Terry, Principal
Tonya Wolfe, SIC Chair

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
