South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

North Charleston Elementary School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing relevant and challenging instruction in a safe and nurturing learning environment. We believe that students are successful when home and school work together to help every child reach his/her potential.

North Charleston Elementary provides proper supports which help students excel both academically and socially. Two Master Reading Teachers provide reading intervention for our first grade students and two Associate Reading Teachers provide high quality reading intervention for second and third grade students. We offer after-school tutoring as an extension to the school day, as well as the after-school WINGS program, where students learn social and emotional life skills. Our SAIL program for 3rd-5th grade provides rigorous instruction for our gifted and talented students.

Our students take advantage of supplementary computerized programs such as First in Math, Study Island, myOn Reader, and Mastery Connect. These tools not only allow students to acquire twenty-first century skills, but also help teachers to monitor and assess student progress to drive their instruction. Also, teachers participate in numerous professional development opportunities.

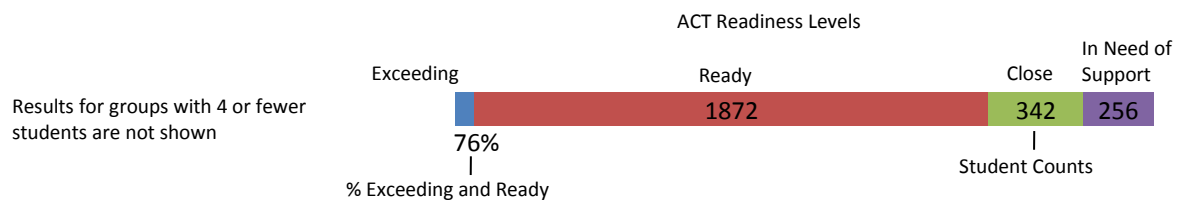

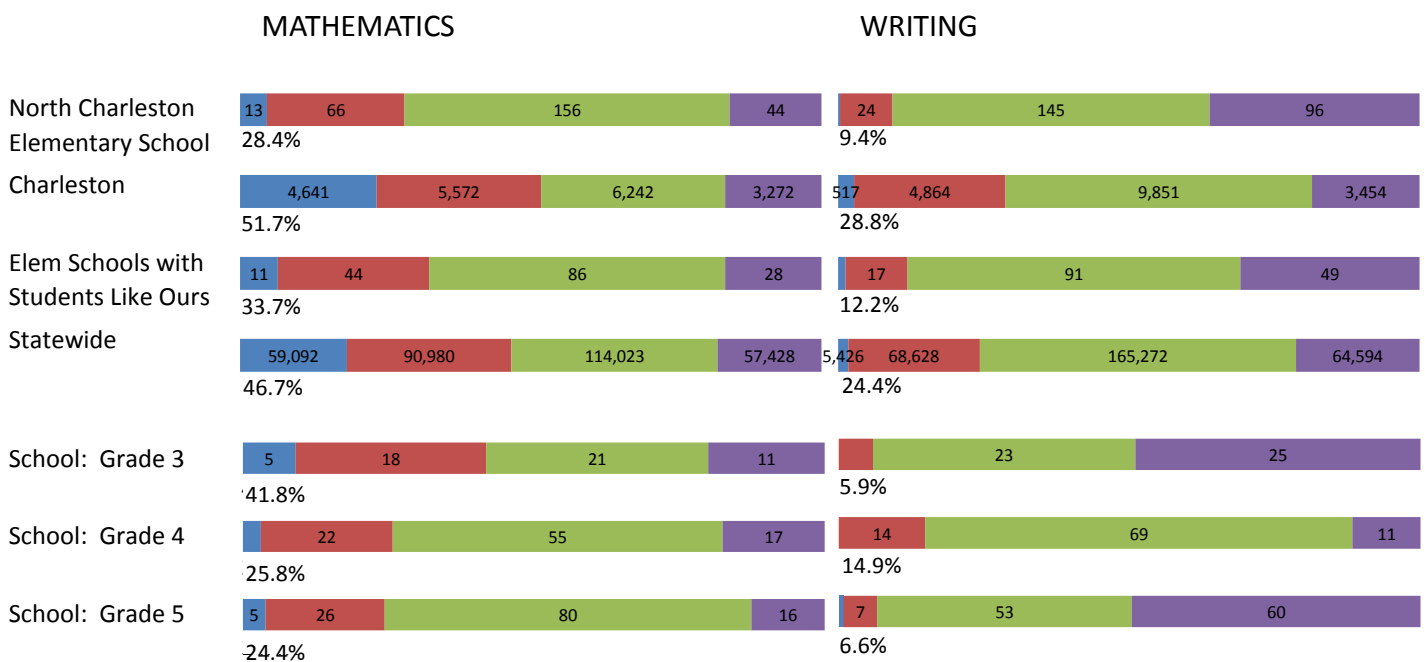

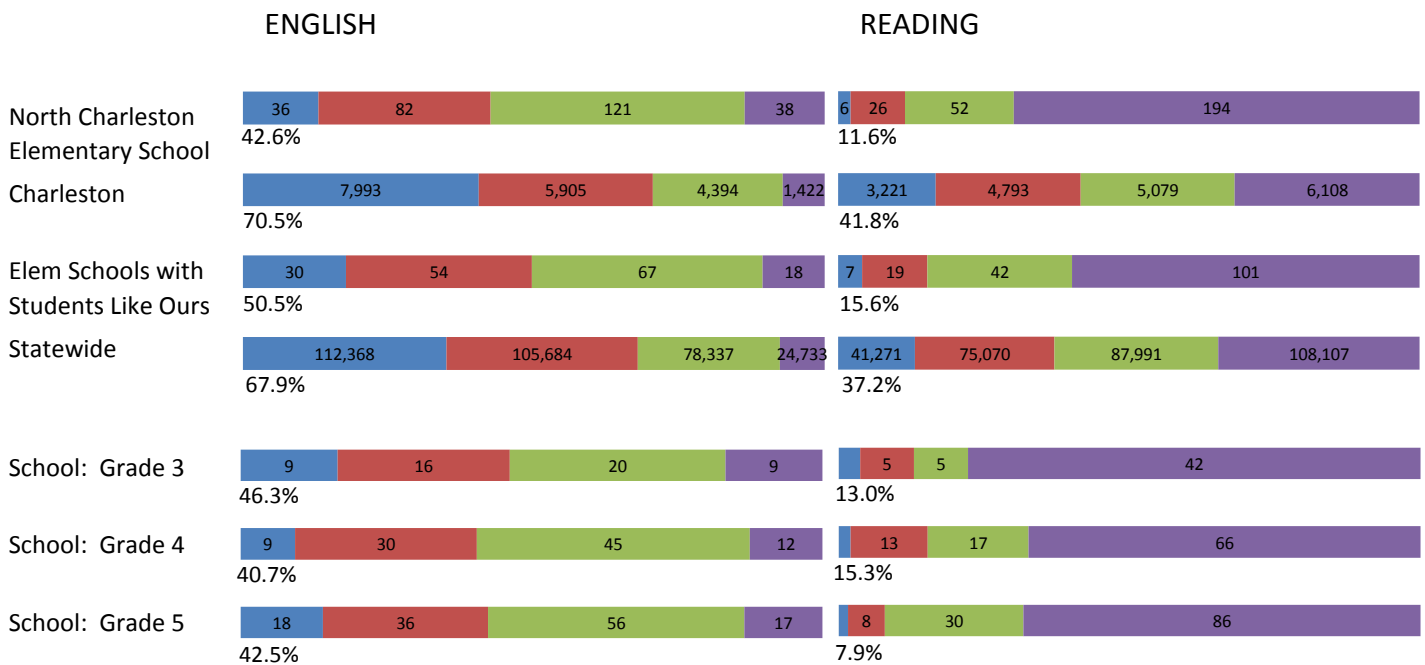

North Charleston Elementary has an active Parent Teacher Association that provides meetings which help strengthen the relationship between the school and the families we serve. We are also a Trident United Way Links to Success member site which provides partnerships with the Department of Mental Health and the Low Country Food Bank. The local Kiwanis Club collaborates with our guidance department to provide the Terrific Kids Program which recognizes outstanding students.

North Charleston Elementary School fosters a positive, caring school climate which encourages students to be confident, competent, responsible and productive citizens in a diverse, ever-changing world.

Ms. Cindy Townsend, Principal
