South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

James Simons Elementary (JSE) is helping all students develop the world class skills and life and career characteristics of the Profile of the SC Graduate through our Montessori focus. Our staff holds very high standards for themselves and students. They are passionate about teaching and learning and have created a positive, nurturing school environment. The Montessori approach promotes children's inherent love of learning by giving them the opportunity to be spontaneous and engage in meaningful activities under the guidance of a trained instructor. Children are driven naturally to work and learn. They develop concentration, motivation, persistence, self-discipline and progress at their own pace and rhythm. The organized curriculum presents lessons simply and concretely in the early years, and then reintroduces them in a more abstract and complex presentation during the subsequent year.

A Response to Intervention (RTI) model is fully implemented at JSE along with Positive Behavior Interventions and Supports (PBIS). PBIS increases student leadership and decision making and provides student recognition for appropriate choices. Our goal for PBIS is to improve behavior and to provide students with life skills necessary for positive and productive decision making. Our PBIS model is shared with families to assist with the transition of concepts to the home environment.

Collaboration with community agencies continues in an effort to provide assistance for specific student and family needs. Parental communications include parent sessions, student agenda books, daily homework folders, weekly courier information, a monthly calendar of events, newsletters, phone calls, e-mails, report cards, monthly progress reports, notes and conferences. We vigorously recruit parents to attend school events, volunteer, and participate in decision-making teams.

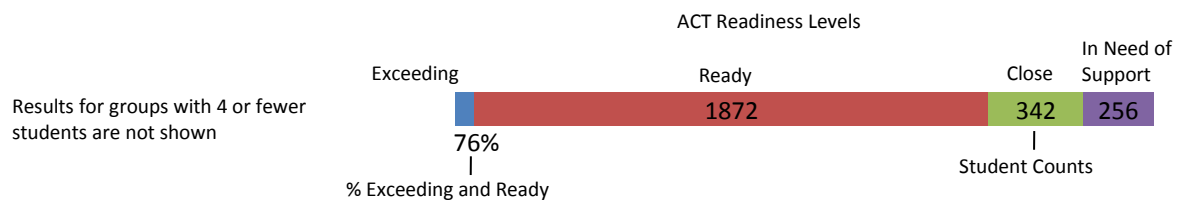

We are one of four schools in the Charleston Promise Neighborhood (CPN). The CPN is a nonprofit organization modeled after the highly successful Harlem Children's Zone project and is designed to ensure that every child and family has supports they need to thrive. The goal of CPN is to transform families within a generation. Some of the services provided through CPN include a health clinic, mental health services, and a college culture curriculum.

We believe that community involvement is a vital component of school success and are proud of our committed partners – two Universities, several churches, our mayor's office, and several local businesses.
