South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Ashley River Creative Arts Elementary School is helping all students develop the world class skills and life and career characteristics of the Profile of the SC Graduate by using the arts as a powerful teaching tool. We create world-class citizens who are ready for life and careers. Ashley River has been a leader in arts integration for over 30 years and has created a program where students are asked to think creatively and critically, work in cooperative groups to collaborate and problem-solve, learn perseverance and integrity, and appreciate diverse perspectives and opinions. Teachers write units of study that incorporate all disciplines and use the arts as an equalizer for all children. They are engaged and excited about learning.

Our teachers continue to refine our program through staff development and collaborative planning. Our goal is to partner with other arts schools in Charleston to make arts integration a successful model in the district. At the Arts Conference in January, teachers learned from national speakers and each other. In addition to arts integration, teachers use Walk to Read, March to Math, small group instruction, Writer's Workshop, Scholastic Counts Reading Program, iPads, and the Artists in Residency Program to instruct and make learning meaningful and rigorous.

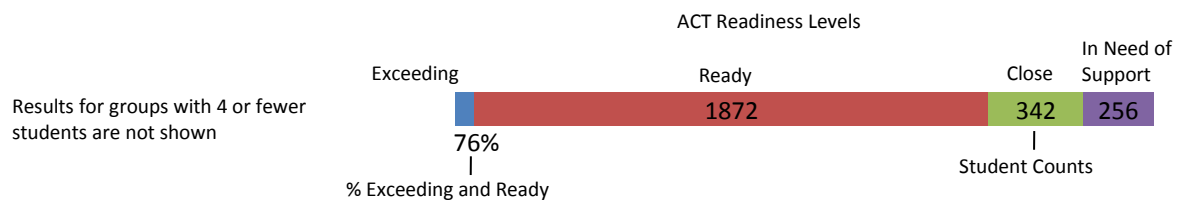

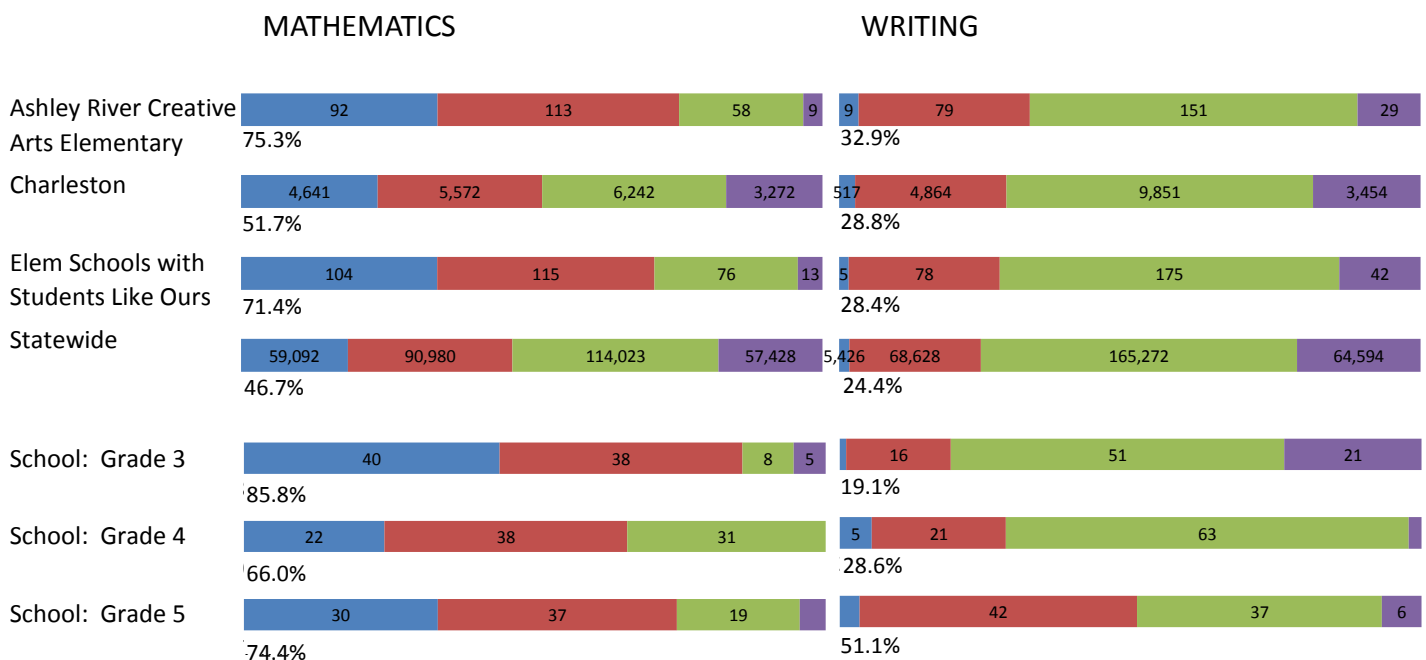

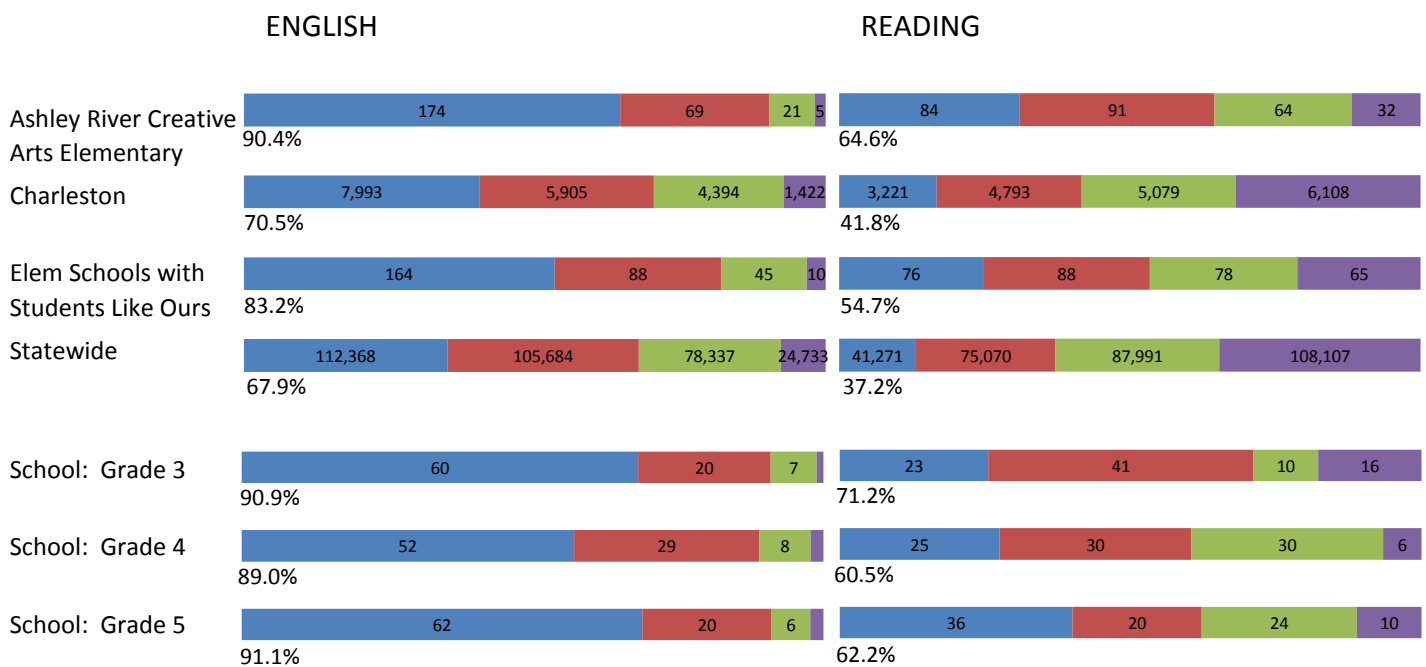

The morning news show, run by students, helps to set behavior expectations, celebrates student successes and birthdays, shares healthy eating habits, and encourages helping people in our community. We continue to sponsor an outreach activity for each grade level. These include Souper Bowl of Caring, collecting donations for the animal shelter and the Heifer Project, collecting school supplies for a school in Liberia, Tab Tops for the Ronald McDonald House, sending cards and letters to servicemen and women, and helping our own families at Thanksgiving and Christmas.

Our 4th and 5th graders participate in clubs and performing groups that represent our school in the community. This year concluded with a collaborative production that was amazing! Our special needs friends had their own production that enabled every child to be on the stage and shine. Our PTA performances created an avenue for every child to be on the stage and help parents get a glimpse of arts integration at its best. We continue to be an Arts in Basic Curriculum site as well as a member of the Engaging Creative Minds program that brings more artists into the school. Working as a team with school, community and parents, we will continue to strive for excellence.
