Drayton Hall Elementary School is helping students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by ensuring that all staff members are committed to excellence through the reinforcement of a rigorous curriculum, setting high expectations for all students and utilizing a nationally-recognized one-to-one learning environment integrating iPads into daily instruction. Enrichment opportunities are provided through co-planning, co-teaching, and itinerant teachers to meet the individual needs of all of our students.

We are recognized as an Apple Distinguished School for our commitment to innovation and technology integration in education. In cooperation with the Education division of Apple, we share our experiences with multiple educational groups from across this region as an Apple Distinguished School. Students collaborate, communicate, and problem solve using the iPad as a tool to demonstrate their learning. In addition, all classrooms are equipped with interactive SmartBoards, a document camera and integrated sound systems while all students participate in labs for music and computer instruction.

Our PTO is very involved in school planning by providing materials to support instruction and rewarding students for achievement. Staff and students participate in activities throughout the year to promote a healthy lifestyle. Students have the opportunity to participate as members of the following groups: tennis, basketball, chorus, band, strings, student council, and our student-produced Morning News, among others. Drayton Hall also offers interactive before and after school care in the Kaleidoscope program.

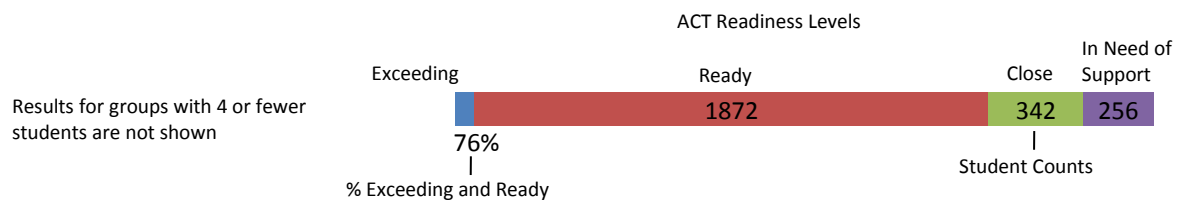

A rigorous curriculum, collegiality, strong leadership, and clear goals with assessment define our successes. At Drayton Hall Elementary School, "Students Come First."
