South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Great Falls Elementary is helping all students develop the world-class skills and life and career characteristics of the Profile of the South Carolina Graduate by working with the school community to provide safe, challenging, and successful opportunities for all students to become lifelong learners and productive citizens who treat others with dignity and respect. As a Title I Reward School for Progress, we commit to building partnerships with organizations, local to international, that assist us in bringing excellent opportunities for learning to our students and staff.

We are recognized as a Microsoft Showcase School with visionary leadership dedicated to bringing innovative, 21st century learning to students and staff in a collaborative environment, a distinction awarded to only 22 schools in the United States this school year. Our principal, Mr. Wendell Sumter, was selected to serve on Microsoft in Education's Advisory Council.

We are partners with Winthrop University as a NetScope Professional Development School. Along with Winthrop faculty, we host field and internship experiences, support action research, and engage in intense school-university alliance to boost student achievement and develop high quality teachers.

Our faculty meets weekly with the School Leadership Team in Grade Level Data Meetings to analyze multiple points of data, engage in cooperative reflective practice, and plan next steps for instruction based on SMART goals. We determine Response to Intervention support for individual students based on information shared at Data Meetings in cooperation with our Principal, Assistant Principal, Reading Coach, Interventionist, and core teachers.

School programs such as reading mentoring provided by our Fine Arts Team, SuccessMaker, Academic Power Hours, Positive Behavioral Intervention and Supports, Brain Gym, Coordinated Approach to Child Health, charity fund raising, and WGEF School News continued as opportunities for our students to develop real-world skills. We added the character recognition program of Stars of Excellence Lunch with the Principal, along with other enriching events such as Reading with the Gamecocks.

School-community partnerships with parents, businesses and church outreach brought success to our A-Team Student Mentoring Program, Junior Achievement, after-school tutoring, School Improvement Council, Parent Teacher Organization, and student nutrition and health. We are truly a Professional Learning Community devoted to being stars of excellence...determined to shine!
