South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Newington Elementary opened its doors on Valentine's Day in 1977. Since then, our school has been the recipient of numerous awards and honors including Palmetto's Finest, the National PTA School of Excellence, A Red Carpet School, A Leader in Me Lighthouse School, and A Palmetto Gold and Silver Award School. While we appreciate our successes, our mission is to continue to grow responsible and productive citizen leaders.

Our 860 students are developing the leadership skills and life and career qualities, described in the 2015 Profile of the South Carolina Graduate, which maps the course for student success in a world class system. Through the Leader in Me initiative, our students are taught to be leaders of themselves through self-discipline, self-reliance, self-confidence, and personal goal setting. All students are encouraged to work toward career preparation as expected of college and career ready leaders.

Our students receive instruction that is systematic and rigorous. Math and literacy models form the framework for explicit direct instruction and critical thinking. Students are challenged through STEM, robotics, the Arts, research projects, and creative teacher lessons. Support is provided through Response to Intervention and acceleration is afforded to students who have mastered content standards. Each student tracks their progress in a leadership binder and shares their data in student led conferences with his or her parents.

Student leaders participate in service learning projects that benefit local community agencies such as the Palmetto House shelter, SPCA, and Jump Rope for Heart. We also recognize that health and wellness are necessary for a strong mind and body, and support wellness through various clubs and by hosting our annual 5K Dolphin Run. We promote fitness during the school day with brain breaks in classes, hydration stations, desktop water bottles, and school wide plank challenges.

We are proud of the accomplishments of our students. These future leaders are given opportunities within the safety of our school to participate in real experiences of leadership. Students apply for opportunities to speak publicly at local Chamber events, to serve as greeters, tour guides, and for school jobs. Many students invite the principal to lunch to discuss issues. Our entire staff and student body, 4k through 5th grade, learn the 7 Habits of Highly Effective People and apply them to personal and academic situations. We are committed to touching the heart, mind, and future of every learner-leader in our school.
