

William M. Reeves Elementary

1003 DuBose School Road
Summerville, SC 29483

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades: PK-5 Elementary
Enrollment: 1,190 students
School Phone: 843-695-2450
School Website: <http://res.ddtwo.org>

Principal: Laura Blanchard
Superintendent: Joseph R. Pye
Board Chair: Gail Hughes

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

William M. Reeves, Jr. Elementary's Marlins "ROCK" is more than a motto for our students, it is a belief held in the hearts and minds of our school family. We are Responsible educators who strive to create an Organized environment that models Character and values Knowledge. Teachers, staff and parents create an atmosphere that builds community and sets high standards to encourage students to push their limits and exceed beyond expectations. We are honored to have been named a Palmetto's Finest School in 2011. Reeves Elementary is committed to motivating and challenging each student to chart a course for success.

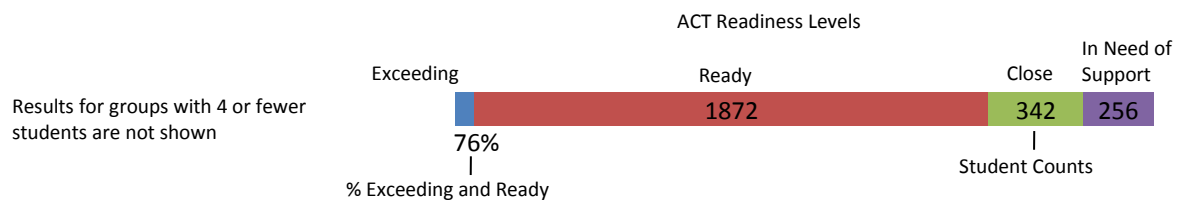

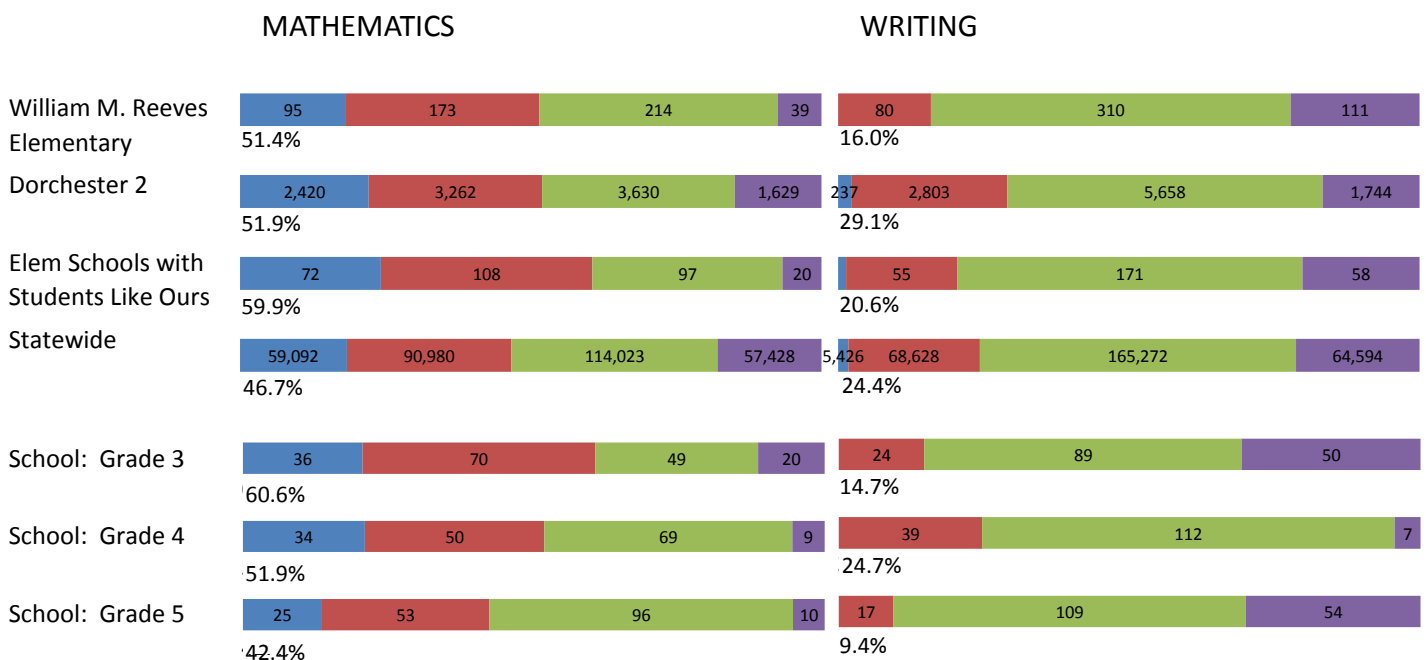

World Class Knowledge Rigorous standards drive instruction at our school. We use benchmarks, universal screeners, and differentiated instruction as just a few tools to help us ensure students success in learning. We provide relevant staff development to sharpen 21st century skills. Technology is infused throughout the curriculum to support learning through Smartboards, computer stations, iPads, and HPstreams. Students and parents participate in coding clubs/activities, Appy Hour for Parents, and classes that "flip" instruction.

World Class Skills Creativity and Innovation are critical skills for our students to hone. Coding and designing games allows them to use technology to create and innovate. Student technicians learn to troubleshoot instructional tools and assist in keeping them operational. Students are critical thinkers and problem solvers and instruction is designed to enhance those skills. Students conduct research using web quests, along with thinking maps and the engineering process. Edmodo and Blackboard are used to keep our community informed. We provide digital citizenship training for both staff and students. Through PTA nights, Brunch with Blanchard and open door policies we are able to collaborate with parents and support student success.

Life and Career Characteristics We strive to encourage the growth of students with integrity and self-direction. We incorporate character skills and development into the curriculum and via clubs and activities at our school. Student are part of a vibrant community with leadership opportunities such as class technicians, student council, safety patrol, Marlin Ambassadors, and student liaison. Student research and collaborate with peers as part of a larger educational and global community using web quests and blogging. We are excited to see our kids learn and grow and we will continue to create an environment that is safe and happy and challenges students in their learning.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
