

W. E. Parker Elementary School

41 Crest Road
Edgefield, SC 29824

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	PK-5 Elementary	Principal:	Gaye W. Holmes
Enrollment:	504 students	Superintendent:	Gregory Anderson
School Phone:	803-637-4020	Board Chair:	Brad Covar
School Website:	http://www.wep.edgefieldcountyschools.org		

Profile of the SC Graduate

- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

W. E. Parker Elementary School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe, caring and academically challenging environment where all students are encouraged as indicated by our motto, to "Imagine it, Dream it, and Make it Come True." Students are challenged to strive to do their personal best each and every day. Focusing on positive behavior, our students are taught what respect for themselves, others, property and learning looks and sounds like, and how developing these skills will help them to be successful both now and in the future.

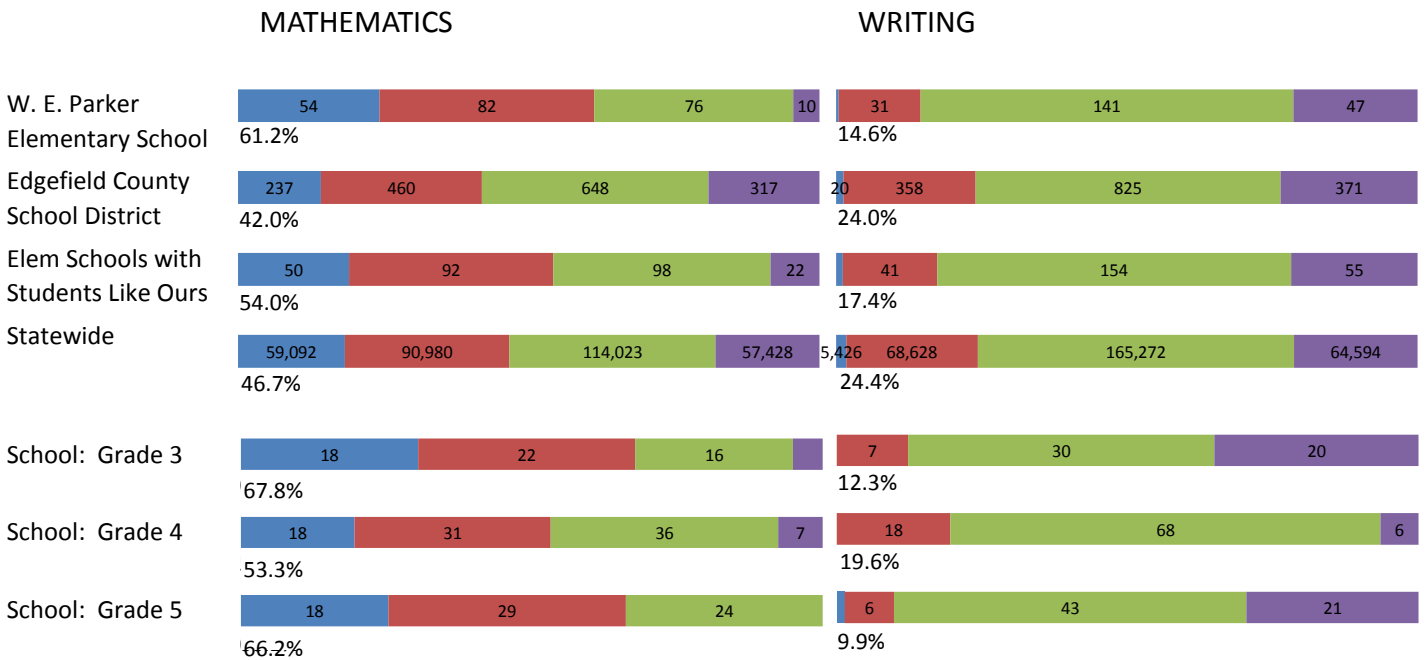

Research suggests that the single most important factor in influencing student achievement is the teacher. All of our teachers are highly qualified, dedicated teachers who believe in meeting the needs of each child. Led by our master and mentor teachers, professional development focused on our school's need for improvement is provided weekly. Our literacy coach assists our teachers in improving our school wide literacy program through model lessons and related professional development. As a result of the TAP and the R2Succeed initiatives, our teachers are speaking a common academic language. To meet the diverse academic needs of our students, three resource teachers, a gifted and talented teacher, a media specialist, two reading recovery teachers and a RTI specialist provide additional support services. Reading Eggs, Study Island, Odyssey, and Success Maker are computer based resources used to strengthen student achievement. Over the last three years, W. E. Parker has been climbing the ladder of success. We have made tremendous strides in closing the achievement gap between our subgroups over the last three years. As a result, we were named a 2014-2015 Title I Reward School for Performance, one of the highest performing Title I schools for the year. In addition, we were named a Title I Reward School for Progress, signifying substantial progress in closing the gap between subgroups. Our growth rating on the SC annual school report card improved from average to good and our absolute rating improved from average to excellent from the previous year.

At W. E. Parker Elementary, we will continue to monitor our programs and make changes as necessary to insure that our students receive the best education possible with the staffing and funding that we are provided. Thank you for your continued support in helping us as we develop our future South Carolina graduates and world leaders!

Chris Wise, Chair of the School Improvement Council
Gaye W. Holmes, Principal

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
