State Report Card**

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Brockington Elementary School is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by...implementing a literacy-based curriculum that includes opportunities in STEM and the Arts. Our school mission is to prepare students for the 21st century by producing literacy-rich learners. In order to do this, Brockington Elementary supports its teachers by offering ongoing professional development in best practices in instruction and developing a rigorous curriculum. Our teachers are encouraged to attend professional development sessions that will keep them abreast of new and innovative educational insights. The Guidance Department at Brockington Elementary School is committed to serving our students through Character Education classes. Students are given opportunities to explore career and college opportunities in early grades through individual and group counseling sessions. At Brockington Elementary School we believe that the educational responsibility of our students is shared by school, family and community. We continue to provide numerous opportunities for student growth and development through rigorous standards in Reading and Math, as well as offering them guidance in life and career characteristics. Mary Brayboy, Principal Mrs. Willie Jean Green, SIC President

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.
