

Plantersville Elementary School

1668 Exodus Drive
Georgetown, SC 29440

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	PK-5 Elementary	Principal:	Beverly Grate
Enrollment:	102 students	Superintendent:	Dr. H. Randall Dozier
School Phone:	843-546-8453	Board Chair:	Mr. Jim Dumm
School Website:	http://www.pes.gcsd.k12.sc.us/		

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Plantersville Elementary School is helping all students develop world class skills to be successful in life and make informed career choices that meet the characteristics of a South Carolina Graduate Profile. Our students are provided a safe, nurturing, and academically inviting environment daily. Staff members are involved in consistent staff development opportunities through best practices.

The curriculum focuses on Daily Five predictable structures, independent reading, small group instruction, guided reading, interactive math, and exploratory learning via science kits. Students are engaged in technology daily through our computer lab. Our classrooms use individual mini computers for research and to explore new learning opportunities. Plantersville Elementary School's focus extends beyond the school day. Our students are required to read to or with an adult at home, which must be documented in a take home reading log. The log is checked by the classroom teacher daily. Students are recognized for their reading accomplishments daily through our Readers are Leaders Daily Program. Students are also recognized for exemplifying life skills through Positive Behavior Interventions and Support (PBIS) and Character Education Programs. We celebrate these behaviors monthly by recognizing students through our Student of the Month Program and utilizing the First Tee Character words which are taught in Physical Education and Guidance lessons.

Certified teachers serve our corrective learners several times each week. Our students enjoy a free breakfast through a USDA Program. We also deliver a healthy fruits and/or vegetables during the afternoons several days weekly through our South Carolina Department of Education Fresh Fruits/Vegetable Grant. Plantersville Elementary School has received this grant for four consecutive years.

The mission of Plantersville Elementary School is to develop within each student the skills and desire to become responsible productive citizens while developing a lifelong love of learning by providing opportunities for all students to learn and be unique through the partnership of students, staff and community.

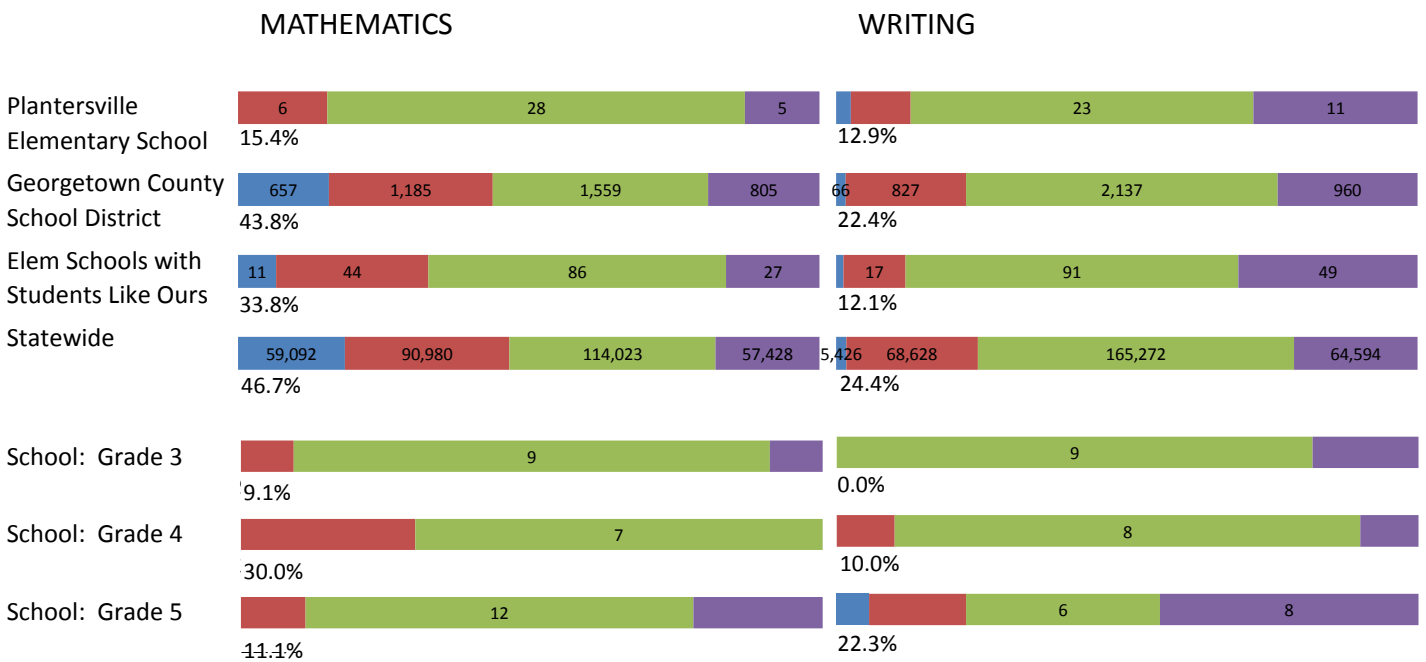

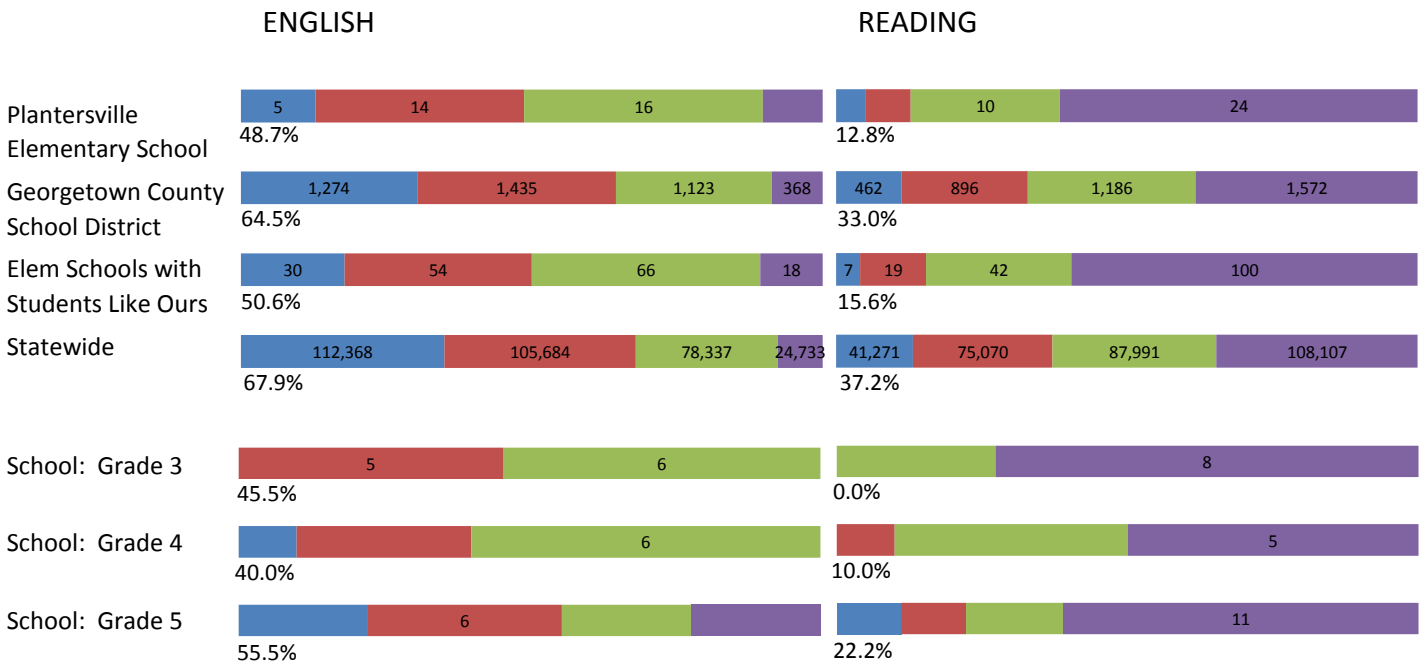

Thank you for all of your support in helping in the development of our future South Carolina graduates and world leaders!

Ms. Melonie Green- Chair of the School Improvement Council

Beverly Gardner-Grate Ed.S Principal

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
