South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Sue Cleveland Elementary is helping all students develop world class skills and life and career characteristics of the Profile of the Graduate by implementing the "Malcolm Baldrige Model" for continuous improvement. Under the Baldrige Model, students develop academic and personal goals write action plans under the guidance of an adult mentor, and track their progress in a data notebook. The school also continues the Response to Intervention initiative school- wide. Teachers implement researched-based reading and math intervention programs such as Soar, Early Success, LLI, Early Reading Intervention, and SRA Number Worlds to improve student achievement. Student progress is monitored through leadership team meetings and quarterly evaluations to ensure students are continuously challenged. Additionally, students use computer-based intervention programs such as Compass Learning and Fast ForWord to enhance their learning. Students needing additional academic interventions have access to after school tutorial programs provided by Communities and Schools. Our students also had access to a variety of enrichment programs designed to enhance their learning. The school established a Robotics Club this year as a result of a Verizon grant. Students were provided real life simulations to develop vehicles to resolve issues such as travel in a natural disaster. Three summer programs were implemented to assist students in reading and math using project-based learning. Students learned to plan, negotiate, persuade, lead the learning, and work in teams. SCE continues to create a positive and stable learning environment that models successful work skills and positive relationships. As a result, the school has been recognized with the "Red Carpet Award", the "Exemplary Writing Award", and the "Strong Communities and School Award". SCE won the Safe Kids Award for providing a safe environment for all students and their parents by providing training in school safety. Much of this success is due to community engagement and support through grants, mentoring and tutoring services, and more. Personalizing learning and engaging our students will enable them to be world class leaders! Submitted by: Virginia K. Chambers, Principal Jessica Garza, SIC
