South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

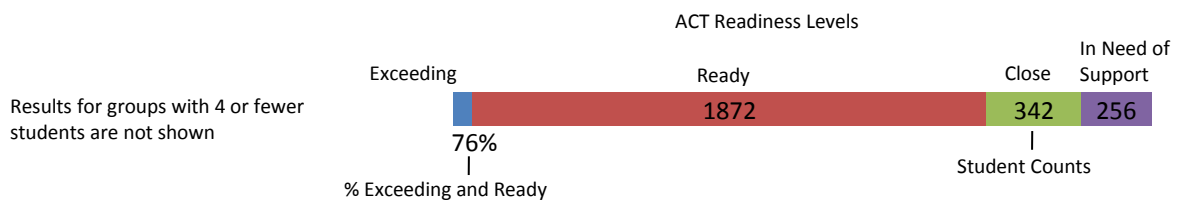

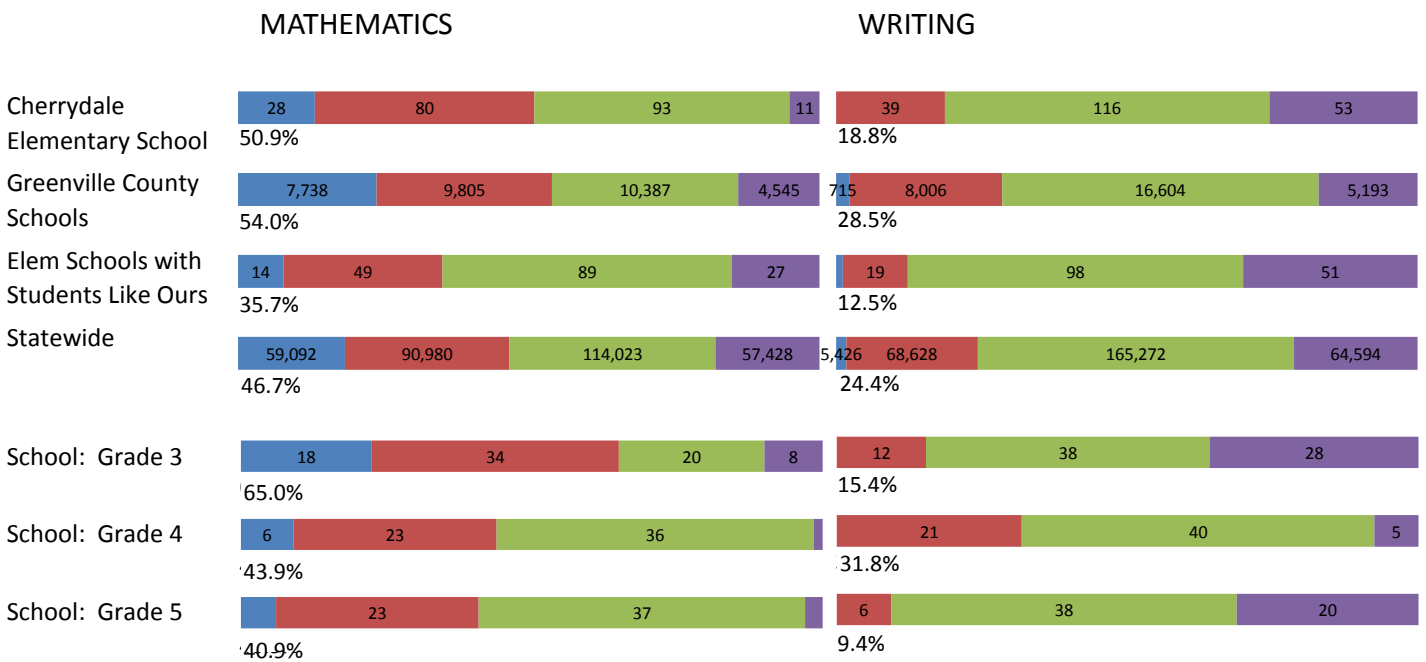

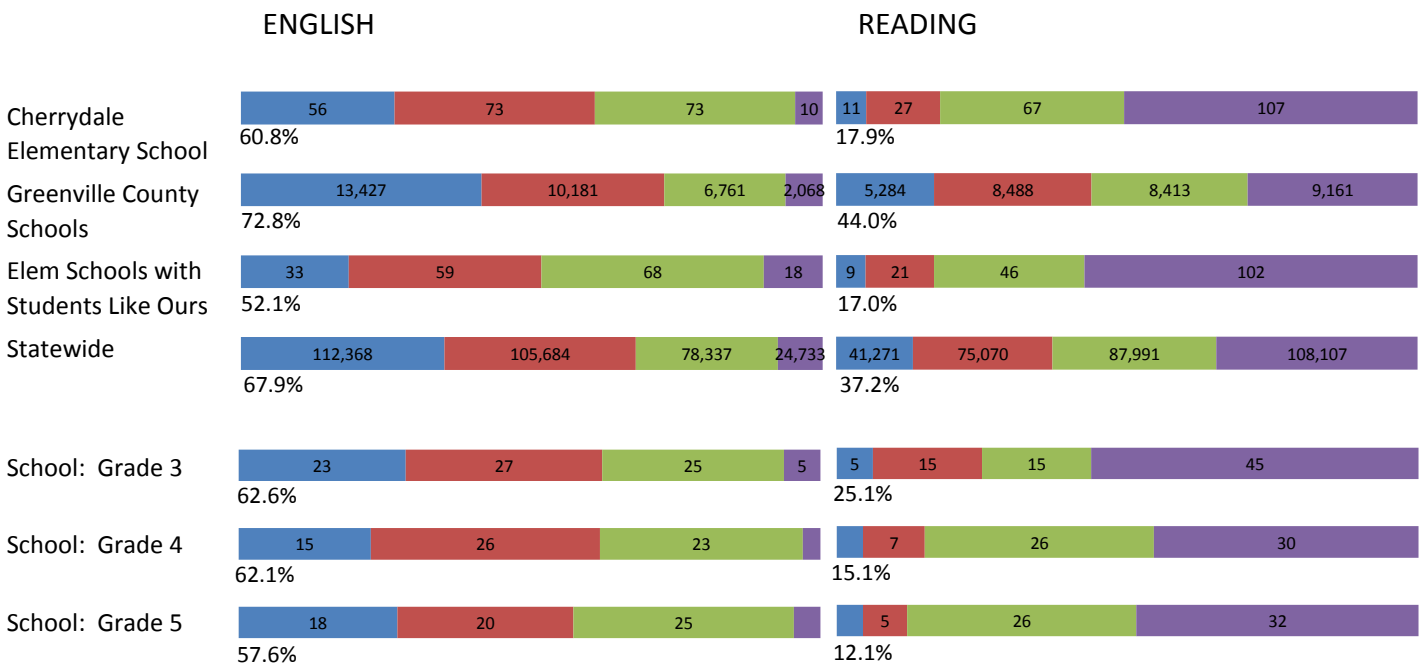

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Cherrydale Elementary School is helping all students develop world class skills and life and career characteristics of the Profile of the Graduate by providing a quality instructional that encourages academic excellence for all students and instills a love of learning beyond the classroom. It is our goal to create a learning environment where all children are empowered to BELIEVE and ACHIEVE. Throughout this school year, our faculty and staff participated in various professional development opportunities in all content areas. Our professional development activities provided teachers with the knowledge and skills required to successfully implement instructional best practices, inquiry-based learning, and practical hands-on opportunities designed to enhance student achievement. Cherrydale continues to set the pace for improving student achievement by implementing "cutting edge" instructional programs delivered by quality personnel knowledgeable in instructional strategies. We continue to offer our Single Gender Class initiative for students in grades 3 through 5. Students are continuously challenged through daily direct classroom instruction, science, and research opportunities. Throughout the year, students' learning experiences are enhanced through the use of various technological tools and programs such as Compass Learning, Promethean Boards, English in a Flash, Reading Eggs, Reading Counts, ActivExpressions, internet accessible computers, and iPads. Additional academic assistance for students includes tutoring programs, Response to Intervention (RtI) programs, and Math RiT groups. In addition, our literacy specialist and math interventionist provide support to students and teachers. The school continues to approach the 'whole child' and provide cultural and social extracurricular activities such as Visionary Leaders Mentoring Program, Step Teams, Student Council, Beta Club, Breakfast Reading Club, and College Tours. We offer a wide variety of community and parent engagement activities such as "Parent Power" meetings and volunteer opportunities. As we move forward, Cherrydale will continue to be a place where every day brings a new success and all students are to encouraged Believe and Achieve. Scarlet H. Black, Principal Joanie Bailey-Land, SIC Chair
