South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by... It has been a wonderful year of growing and connecting at St. James Elementary School. We received an Absolute Rating of Excellent and a growth rating of Good on our school report card which led us to receiving the Palmetto Gold Award. Lynn Quinn was selected as Teacher of the Year and Robin Harris as Support Staff Employee of the Year. At St. James Elementary, we work collaboratively to provide our children with a premier education. Teachers apply high yield instructional strategies to his/her planning and execute engaging lessons. Using formative and summative assessment, teachers reflect on student learning and monitor the learning as appropriate. Children are also self-reflecting on learning and setting personal goals by utilizing data notebooks. While working to develop the whole child, staff at St. James supported student learning by fostering new clubs and school initiatives. Our school was the first in our district to sponsor an Elementary Mock Trial Club. We also implemented a digital learning initiative which encouraged our students to take advantage of district wide technology programs designed to differentiate and personalize instruction. Along with the previously mentioned clubs, SJE also sponsored the Junior Beta Club, National Honor Society, Junior Lifeguard, and Technology Club. We had several children receive awards and recognitions presented by the district's Technology Fair, South Strand Optimist Club, South Carolina Children's Museum, and the South Carolina Art Education Association's Youth Art Month Showcase. Our students also participated in a variety of service learning projects that benefited March of Dimes, veterans' organizations, local food banks, Toys for Tots, American Heart Association, Relay for Life, Save the Bees, and Help for Kids. Our school success is the result of teamwork with all stakeholders. SJE is supported by our School Improvement Council, PTA, parents, volunteers, and business partners. Together we have worked to enhance our school environment for our children which includes three new planters to beautify the front lawns and a new reading room which encourages volunteers to come read to our children. The mission of St. James Elementary School, a richly diverse community of learners committed to a tradition of academic and personal excellence, is to ensure that our children are fully prepared to be productive participants in a constantly changing world through personalized, progressive learning which develops self-motivation, high expectations, lifeskills, and the lifelong pursuit of learning.
