

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	PK-5 Elementary	Principal:	Angela Gore
Enrollment:	785 students	Superintendent:	Dr. Rick Maxey
School Phone:	843-390-6860	Board Chair:	Joe DeFeo
School Website:	http://le.horrycountyschools.net/		

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Loris Elementary School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe, caring, and academically challenging learning environment.

Results from the 2013-2014 state assessment (PASS) show the following in English/language arts: 3rd grade – 87% met & above; 4th grade – 82% met & above; and 5th grade – 83% met & above. In math, the results from PASS show: 3rd grade – 89% met and above; 4th grade – 84% met and above; 5th grade – 76% met and above.

We are also no longer listed as a Focus School for subgroup gaps. Our ESEA/federal accountability rating meets the states expectations for growth, and our school received an A on our school report card. WE were also identified as a Title I Reward Schools for Performance. These awards are given to schools who are identified as the highest performing Title I schools in a given year. To be named a Reward School for Performance a Title I school must: have attained an “A” or “B” in the two most recent school years; have a free/reduced lunch count that is greater than 50 percent; not have significant achievement gaps; and, have at least one tested grade on state assessments.

Our primary reading data shows significant progress on our DIBELS assessment with 96% of our kindergarten students and 80% of our first grade students and 80% of our 2nd grade students meeting their End of the Year reading goals. We attribute this success to strategic small-group instruction.

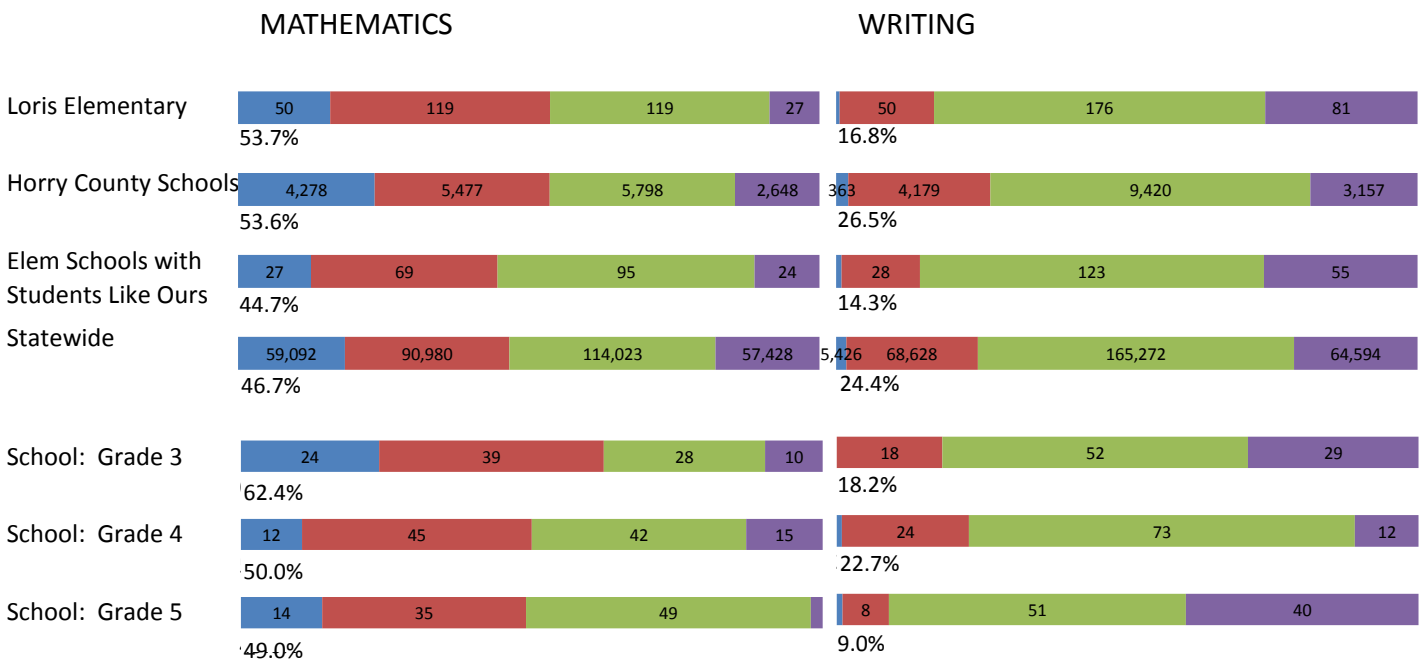

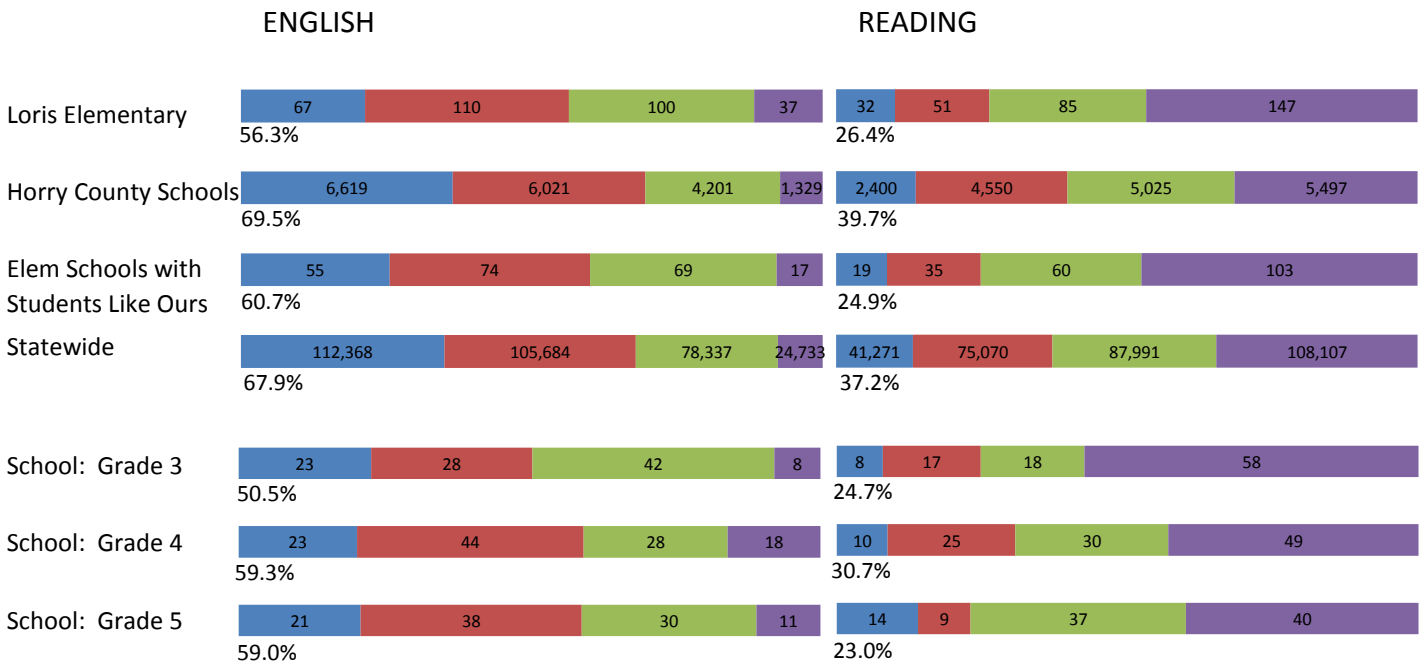

We are strongly supported by School Improvement Council and PTO. Our School Improvement Council meets monthly to address the academic progress of our school and work to address ways to continue to enhance parental involvement at all school events. We have at least 98% of our parents who attend parent-teacher conferences.

Our evening Parenting workshops in the area of math and reading are not well-attended by parents. We have seen better attendance with our Title One sponsored events that include parenting tips (Brochures are provided to parents and a brief PowerPoint is shared with parents) in academic areas such as: Donuts for Dads and Muffins for Moms We continue to work with our School Improvement Council to work to increase the attendance of our parents at our evening workshops.

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
