The mission of Baron DeKalb Elementary School (BDK) is to provide our diverse learning community with a safe place for students to become responsible citizens, by partnering with families and providing a rigorous and challenging character and academic foundation for all students. Through the implementation of our shared vision- "A small school with a big heart where everyone excels," we are able to fulfill our mission. BDK is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by keeping the vision in the forefront of our efforts to increase student achievement. Through effective programs and practices, standards based and data-driven instruction, professional learning opportunities, parent and family involvement, and support from business and community, BDK will enable students to achieve the world class knowledge, skills and characteristics of the South Carolina Graduate. In 2014-2015, we enhanced the school's character education program by introducing The Seven Habits of Happy Kids leadership virtues to students and parents. By teaching and modeling the habits, we are empowering our students with qualities that can help them to succeed in school and in life. Integrity, self-direction, global perspective, perseverance, work ethic and interpersonal skills are characteristics reflected in The Seven Habits of Happy Kids. HAPPY (Have a Positive Productive Year) was our mantra for the 2014-15 school year. Overall, it was a happy year for BDK. For the third consecutive year, Baron DeKalb Elementary earned an A under the Elementary and Secondary Act (ESEA) Federal Accountability System. The school also earned an Excellent Absolute rating on the state report card, and was named a Reward School for Performance for being one of the highest performing Title I schools in the state. We celebrated when BDK's students were winners in the Kershaw County Fine Arts Center Heritage Tea Contest, with a 1st place winner in grades 4 and 5, and a 3rd place winner in grade 3. We continued the celebration when a BDK 5th grader tied for 1st place in the Superintendent's Writing Competition. Thanks to the hard work of our faculty, staff, and parents, we received funds from the 21st Century Learning Centers (21st CCLC) Bridge program to provide a summer camp for students. BDK also sponsored fundraisers for Relay for Life, American Red Cross, and Jump Rope for Heart. Through collaboration and commitment, BDK's Eagles will continue to soar!
