# South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

### WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

*Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...*

Joanna-Woodson Elementary School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe, caring, and academically challenging learning environment. We provide this environment by focusing on our vision of preparing students to become ethical and productive citizens by achieving excellence, embracing innovation, and forging new traditions. Academic excellence for all students continues to be our goal. We strive to meet the needs of each individual child. By continuing to be a part of TAP, The System for Teacher and Student Achievement, we have participated in extensive professional development during our cluster meetings each week, followed up by instructional implementation in the classroom. During these professional development times, teachers are taught new strategies to implement in the classroom to assist all students in being successful. Many of our teachers are seeking higher degrees to continue their education as well. We are always striving to be our best for our students in the classrooms. This is how STARS are made! We continue to participate in Fuel Up to Play 60 sponsored by the National Dairy Association and the NFL, as well as our involvement with the Special Olympics. Our students are excited about trying to eat healthy and getting as much physical activity possible to maintain a healthy life. The support of our parents and community is an asset to us. We have community sponsors, parents, and community members that volunteer their time and resources to make sure that our students are getting what they need to be successful. We are working hard each and every day at Joanna-Woodson Elementary School to help set the foundation for our students to become future South Carolina graduates and world leaders!
