

Bishopville Primary School

603 North Dennis Avenue

Bishopville, SC 29010

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades: PK-3 Elementary

Enrollment: 429 students

School Phone: 803-484-9475

School Website: <http://leebps.sharpschool.net/>

Principal: Lei F. Washington

Superintendent: Dr. Wanda Andrews

Board Chair: Sanya Moses

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

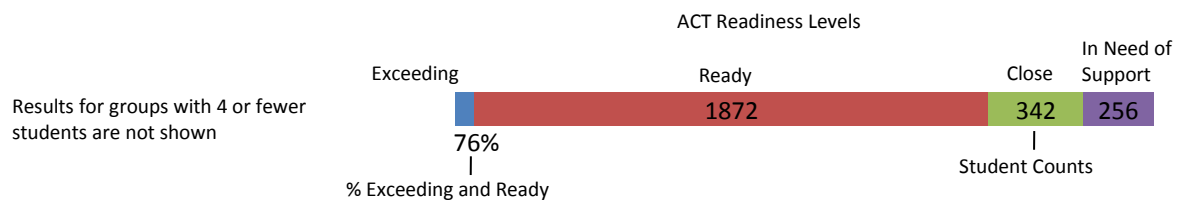

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Bishopville Primary School, a 2013 Palmetto Gold Recipient, strives to develop lifelong learners while helping them to grow socially and emotionally. Our student enrollment consisted of 607 students during the 2014-2015 school year. Due to the high enrollment, our school became one school in two locations. Students in grades Pre-K 4 through 3rd grade were housed at the main campus, where Lei F. Washington served as principal. Students in grades 4th and 5th were housed at an annexed location where Karen Long served as principal. Our school, district personnel, parents, community members and students worked together to effectively to create a positive and inviting learning environment on both campuses. The faculty and staff compiled, monitored, analyzed and utilized data to determine next steps. Data walls were displayed and used regularly to chart student growth. Individual Learning Plans (ILPs) were designed using Measures of Academic Progress (MAP) data. Both student and parent input were secured. The ILPs were revised and adjusted quarterly to meet the changing needs of each student. Data notebooks were maintained by each teacher and data sheets were submitted to the administration quarterly to monitor student mastery, attendance and discipline updates. Our dedicated teachers met at least 3 times each week for collaborative planning to plan instructional activities that align to our state standards. Bishopville Primary School's learning environments were synergized by research-based best practices designed to yield high student engagement. Instructional protocols were continued school-wide. Curriculum based rituals were implemented into daily routines. Each day, both locations announced a principal's word for the day, problem of the day and a grammar activity. The district hosted events to give unique opportunities for students to apply mastery of content areas across the curriculum. Bishopville Primary participated in the Young Author's Tea, the Spelling Bee, Science Fair and the elementary division's School House Rock, Jr.-a musical. The four year old and five year old Kindergarten used Creative Curriculum and met monthly with the district's early childhood consultant to receive professional development. In 2014, students showed significant growth in third grade as reported by MAP and the TE 21 content specific benchmark test. Students in the third grade grew ten points or higher at a rate of 65% or more from the fall administration to spring administration. Saturday School was offered district wide in preparation for the ACT Aspire and parents were trained as home-based instructional aides. The Save the Children's program, continued for a fifth year at the main campus. The AmeriCorps literacy tutors met with students weekly to provide support. Teachers on both campuses, were trained on the Guided Math Common Core Curriculum, Project-Based Learning, Student Engaging Instruction, Response to Intervention, Mandatory Reporting, Technology Infusion, Teacher University, Common Core Implementation, Parent Conferencing Using

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
