# South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

### WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

*Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...*

Our school, Prosperity-Rikard Elementary, is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a nurturing community for students to achieve their personal best. This commitment, shared by all stakeholders, helps us in our daily goal to make our school motto "The Pride of the Palmetto" a reality. Through our rigorous standards, we continue to teach students the basics of Math, Reading, Science and Social Studies as a basis for applying all that is learned across the curriculum. Our character education is modeled in all areas of school life and is designed to increase student performance. Our goal is to instill a work ethic for our students to develop as responsible citizens and future leaders that use self-direction and interpersonal skills. All faculty and staff, through collaboration and teamwork, provide engaging instructional experiences and opportunities that enable students to strive to do their personal best with critical thinking and problem solving. Students are provided with a number of opportunities to excel in the classroom through communication, information, media sources, and technology. We continue to provide service learning opportunities for students to give back to the community and to develop self-worth and integrity in helping others. Our connections to the community are provided through financial support to charities from monies raised by the students and staff and donations such as canned and dry goods to the local food bank. Our parents and grandparents play a vital role in the collaboration for a successful future for our students. We have events such as Goodies for Grands, Muffins for Moms and Donuts for Dads to invite these special people to come and visit with students, see our facilities and student displays, and communicate with our staff. The PTO has successfully scheduled meetings throughout the year that feature musical performances by students and provide informative presentations for parents. We host a Career Day to involve the local community with helping students select career goals, sponsor a Veterans Day ceremony to honor those men and women that serve our nation in the military, and work with a number of volunteers that assist with additional academic assistance and mentoring throughout the school year. Prosperity-Rikard Elementary School strives to provide a challenging and stimulating educational experience that meets the needs of our students and develops the learners of tomorrow with world class knowledge, skills and characteristics, emphasizing daily successes that help make us the "Pride of the Palmetto."
