

Keowee Elementary School

7051 Keowee School Rd.

Seneca, SC 29672

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	PK-5 Elementary	Principal:	Joshua L. Holliday
Enrollment:	387 students	Superintendent:	Dr. Michael Thorsland
School Phone:	864-886-4475	Board Chair:	Andy Inabinet
School Website:	http://www.oconee.k12.sc.us/Keowee.cfm		

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a rigorous, differentiated curriculum that meets individual student needs, exposing and giving students experience with technology and integrating character education into our daily practices and procedures. Keowee Elementary School strives to provide students with a differentiated curriculum to maximize their individual learning success. We use benchmark and assessment data to plan instruction that meets the needs of all of our students. To further help with individual student needs, we have a daily enrichment and intervention time to focus on areas that further educate our students. This year, Keowee Elementary has given students more opportunities to experience technology. We have increased the number of Chromebooks and iPads in each classroom. Our school participated in computer programming and coding at all grades levels this year. Students were given the opportunity to participate in a computer science club to learn about different areas of technology and apply skills to solve problems. Through hands on experiences in technology, students were able to use their creativity, think critically and problem solve while collaborating with others. Our mission at Keowee Elementary School, in cooperation with home and community, is to challenge and enable every child to learn and grow academically, socially and emotionally, within a safe and nurturing environment. The school and community's commitment to this mission is evident in the smiling faces of the students and the numerous awards and recognitions received by the school, the faculty, the students and the school's volunteers. To support our mission, students are introduced to new character value topics monthly by our guidance counselor, teachers and fellow students in a variety of ways. Students are encouraged to demonstrate these values and skills. Students are given numerous opportunities to build life and career characteristics in our classrooms, students groups, clubs and activities. Keowee Elementary School is made up of great students, faculty and staff members, families and community members who strive to provide the best educational experience for our students. Joshua L. Holliday, Principal Julia Cook, SIC Chairperson

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
