

Ellore Elementary

200 Warrior Drive
Ellore, SC 29047

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	PK-8 Elementary	Principal:	Kevin Addison
Enrollment:	493 students	Superintendent:	Dr. Jesulon Gibbs-Brown
School Phone:	803-897-2233	Board Chair:	Mrs. Betty Shuler
School Website:	http://ees.obg3.k12.sc.us		

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

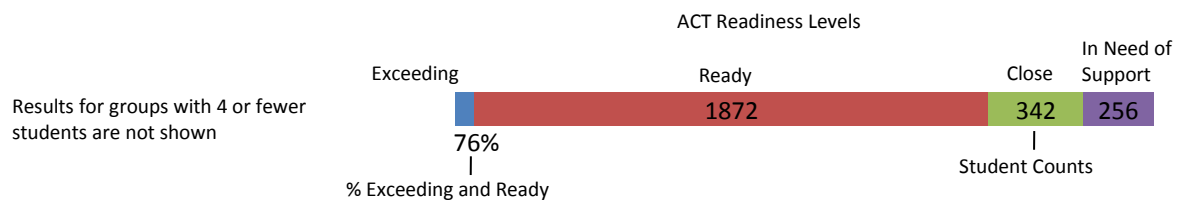

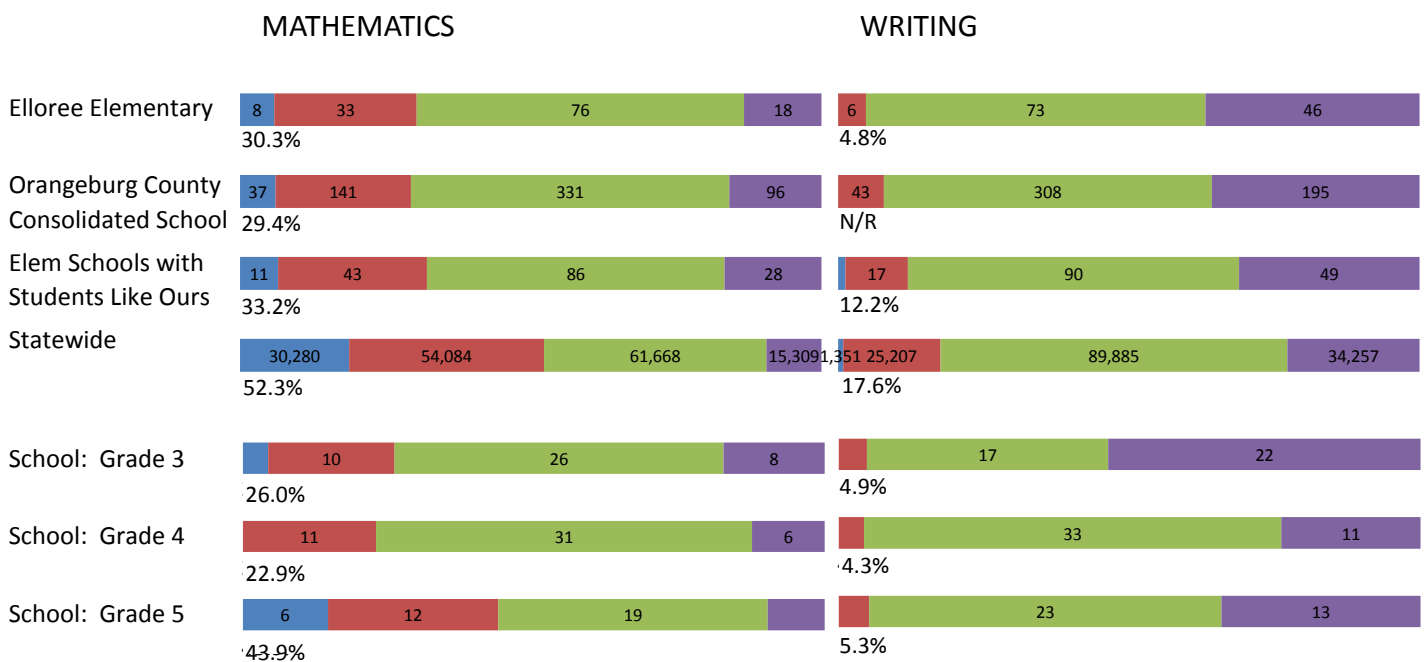

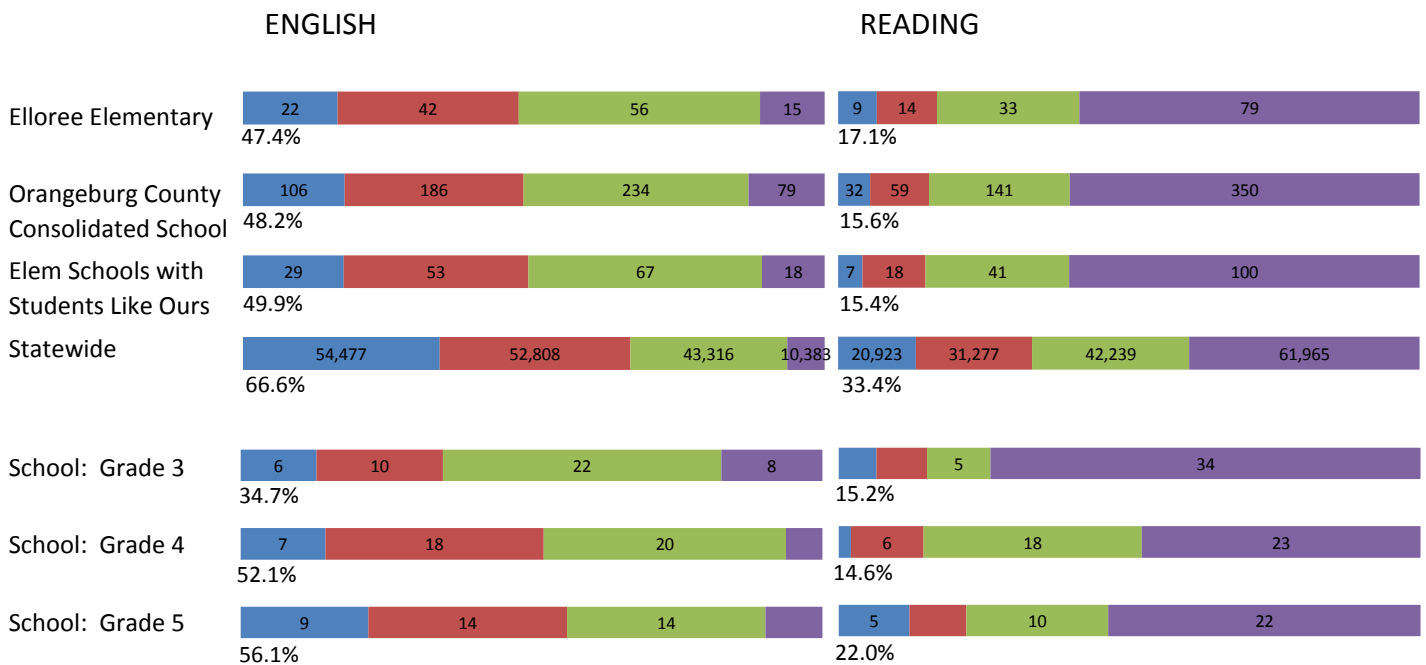

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Ellore Elementary School serves students of child development age through 8th grade. The 2014-2015 goals that were implemented are those reflected in our most recent School Renewal Plan. During the school year, teachers participated in meaning and ongoing professional development, workshops, and other state or local training opportunities. All professional development activities are geared toward instructional improvement and enhancement. We continued the use of innovative materials and resources to support increased student achievement on the subtests of PASS in science and social studies and to prepare the students for the ACT-Aspire ELA and math subtests. During the 2014-2015 term, EES continued the Teacher and Student Advancement Program (TAP). This program focuses on enhancing teachers' strengths and refining their weaknesses. It used collaborative methods to share and teach strategies for instruction and concentrated on data to drive success. Teachers attended weekly cluster meetings, where they engaged in professional development activities designed to improve student achievement by strengthening the instructional strategies of teachers. EES is committed to improving student achievement. We provided various opportunities for students to excel academically. In addition to standard options, EES students participated in various field trips, visual arts, chorus, keyboarding, and instrumental recorder classes. It is the goal of EES to make learning meaningful and effective for our students. We continued the use of innovative materials and resources to support increased student achievement on the subtests of PASS in science and social studies and to prepare for the ACT-Aspire ELA and math subtests. This literacy initiative continues to ensure that every student becomes a fluent and proficient reader. Additionally, Saturday Academy Tutoring was provided to students in grades 3-8. Interactive whiteboards and computers were installed in all classrooms, and offices received updated computers. Measures of Academic Progress (MAP) and CASE TE21 benchmark testing were used to monitor strengths and weaknesses of students in grades K-8. Through collaborative efforts among school, home, and community, partnerships were established to create a positive, nurturing learning environment that fosters high expectations for all students. Our school's motto, "Enter to Learn.... Exit to Lead," means we prepare our students to become global class citizens. Mrs. Kelli Johnson, Chair of School Improvement Council Mr. Kevin Addison, Principal

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
