

Pickens Elementary School

567 Hampton Avenue

Pickens, SC 29671

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades: PK-5 Elementary

Enrollment: 460 students

School Phone: 864-397-2300

School Website: <http://www.pickens.k12.sc.us/pes>

Principal: Allen Fain, Ed.D.

Superintendent: Dr. Daniel B. Merck

Board Chair: Dr. Brian Swords

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

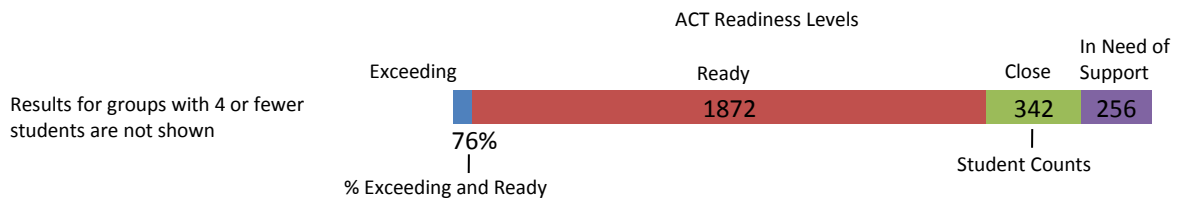

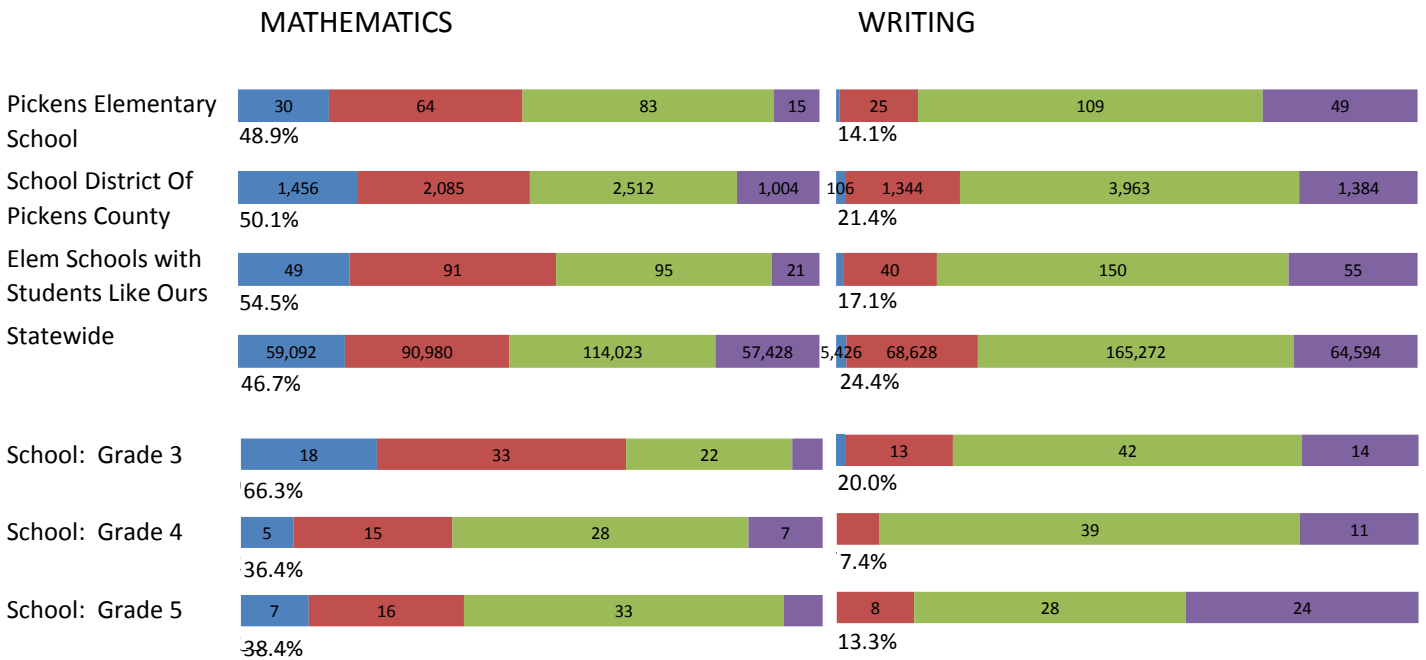

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Pickens Elementary helps our students develop world class skills and life and career characteristics of the South Carolina Graduate through our rigorous and relevant classroom instruction. At Pickens Elementary we have collaborated as a school to focus on ten instructional best practices. These best practices focus on developing and implementing lessons that are rigorous and relevant to world applications. Students receive rigorous instruction based on state standards designed to provide them with hands-on opportunities to build strong foundational and conceptual skills. Our reading program develops word attack skills, expands vocabulary, and builds strategies to assist students as they create meaning from what they read. Our math program works to build fact fluency and number sense while developing conceptual knowledge and an understanding of math concepts. Instructional strategies in all subjects include opportunities for students to work in small groups to develop interpersonal and teamwork skills. Our vision is "Together on the Path for Success." In addition we have collaborated as a staff to recognize the importance of every student and have used the statement, "All Means All." Each week our teachers are given the opportunity to meet in a professional learning community. During these meetings our teachers focus on each individual student to identify strengths and weaknesses based on data. Our teachers are always seeking to learn new and effective strategies to use in the classroom such as: Thinking Maps, Literacy By Design, manipulatives, Every Day Math, Classworks, small group guided reading, Accelerated Reader, Project Read, Write From The Beginning, Interventions and Reading Recovery. We are proud of our strong history of academic success. Pickens provides a Robotics club for fourth and fifth grade students. The program provides students with opportunities to work collaboratively to prioritize and plan creative solutions to STEM-based challenges. These activities help build student ability to persevere when faced with a difficult task. To complete a STEM challenge, students must use the skills of research, creating/building, planning, and collaboration with others. Pickens began a BYOD program this year to build students' digital literacy with different sources of information and forms of communication. BYOD allows students to use skills and demonstrate their understanding of material based on research and products created through the use of technology. Both STEM and BYOD give students real world connections to learning and encourage them to be more active in their individual learning. These programs help students develop skills necessary to be successful 21st Century learners. Pickens continues to implement a school-wide positive behavior program through which students are encouraged to demonstrate the qualities of good citizens and are rewarded and recognized through a ticket reward system. This system reduces office referrals and has given an encouraging boost to the overall school climate. Our guidance counselor teaches classes based on the 7 habits by

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing

KNOWLEDGE

The SC Palmetto Assessment of State Standards (SCPASS) was given to students in grades 4 - 8 in Spring 2015. Students were assessed in the subject areas of Science and Social Studies.

Science

Social Studies

Science SCPASS

Our School: Percent Met and Above for each grade level	
4th grade	5th grade
78.2	70.0

Social Studies SCPASS

Our School: Percent Met and Above for each grade level	
4th grade	5th grade
85.5	70.0

Note: Results include SC-Alt assessment results.

Exemplary	"Exemplary": student demonstrated exemplary performance in meeting the grade level standard.
Met	"Met": student met the grade level standard.
Not Met	"Not Met": student did not meet the grade level standard.

Elementary Schools with Students Like Ours are elementary schools with poverty indices of no more than 5% above or below the index for the school.
