

McKissick Elementary School

156 McKissick Road
Easley, SC 29640

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	PK-5 Elementary	Principal:	Gary R. Mohr, Jr.
Enrollment:	390 students	Superintendent:	Dr. Daniel B. Merck
School Phone:	864-397-2200	Board Chair:	Dr. Brian Swords
School Website:	http://www.pickens.k12.sc.us/mke		

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

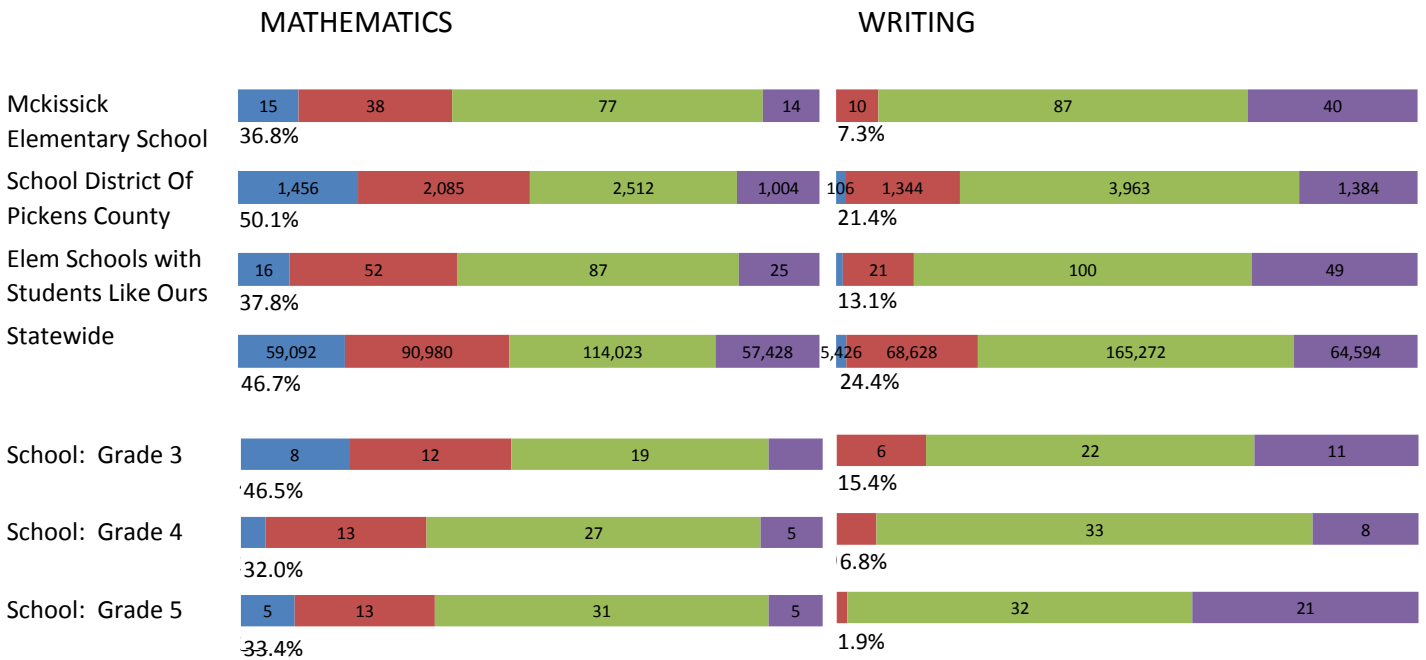

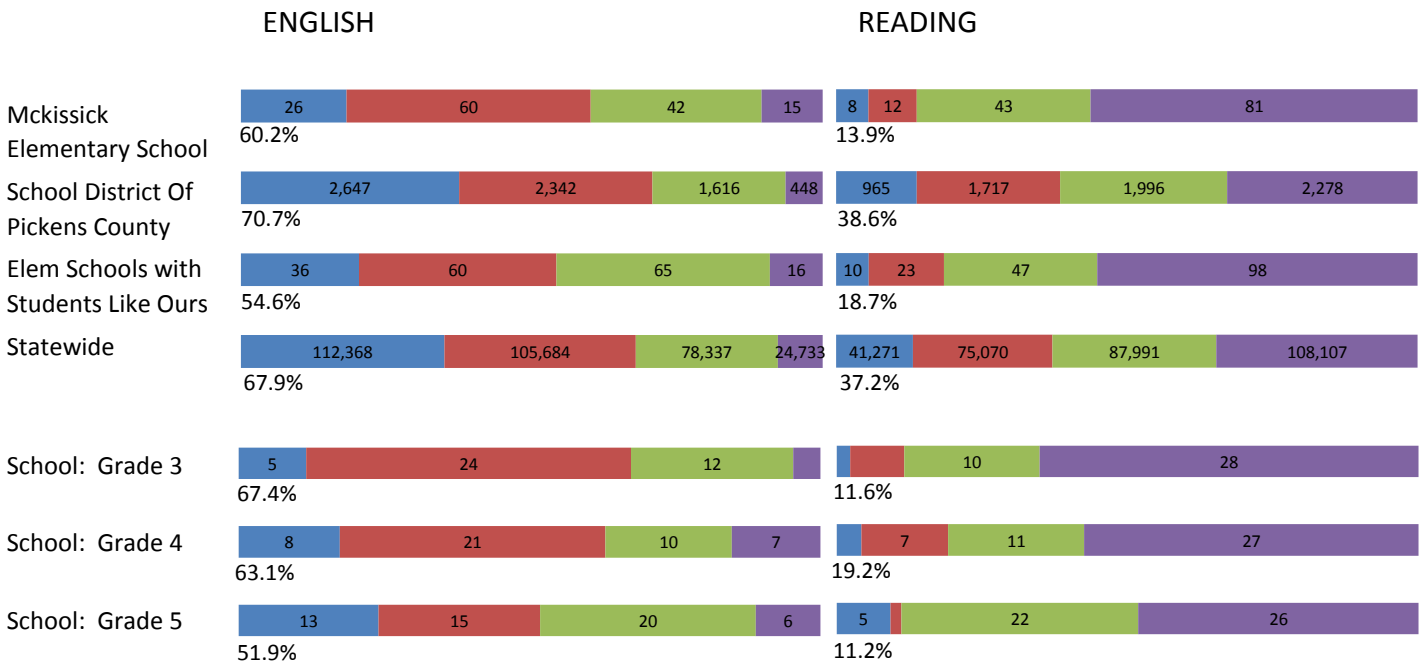

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

McKissick Elementary is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate through a variety of programs and activities. BYOD (Bring Your Own Device), STEM (Science, Technology, Engineering, and Math) and the use of Lifelong Guidelines and Lifeskills, are just a few examples. With technology, teachers provide opportunities for students to conduct research, create presentations, and share their findings. This is accomplished very easily because McKissick is almost a 1:1 school with iPads and laptops. STEM activities provide challenging opportunities for students to solve real world problems and create real world items in the classroom. This access to technology and involvement in higher order thinking activities provides our students with the opportunity to learn and develop skills they will need to become South Carolina graduates that are college and career ready. School-level professional development activities are planned to assist teachers in providing rigorous instruction and quality learning experiences for all students. Teachers study results from state level testing, MAP (Measures of Academic Progress), TE21 (Training and Education in the 21st Century), and classroom assessments. Each teacher analyzes data to help plan and deliver differentiated instruction which focuses on students' strengths and weaknesses for the purpose of raising student achievement. McKissick has been recognized as a Title One Reward School for Progress winner as well as a two-time winner of the coveted Red Carpet Award. Our character education program which consists of Lifelong Guidelines and Lifeskills, along with PBIS, creates positive behavioral expectations. Our students participate in service learning projects. Additionally, our school has been recognized for six straight years as a Safe Kids Upstate School. We strive to involve the entire community into our McKissick family. Parent nights are highlights of the school year. Partnerships with various organizations such as the Easley Baptist Medical Center, Pickens County YMCA, Home Depot, Moe's Southwest Grill, Zaxby's, and local churches, not only support but foster student achievement. Our PTO, School Improvement Council and active volunteers support our instructional program. The faculty, staff, and community are working together to provide each student at McKissick Elementary with a quality education. Gary Mohr, Principal Fain Kapeluck, SIC Chairperson

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
