

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

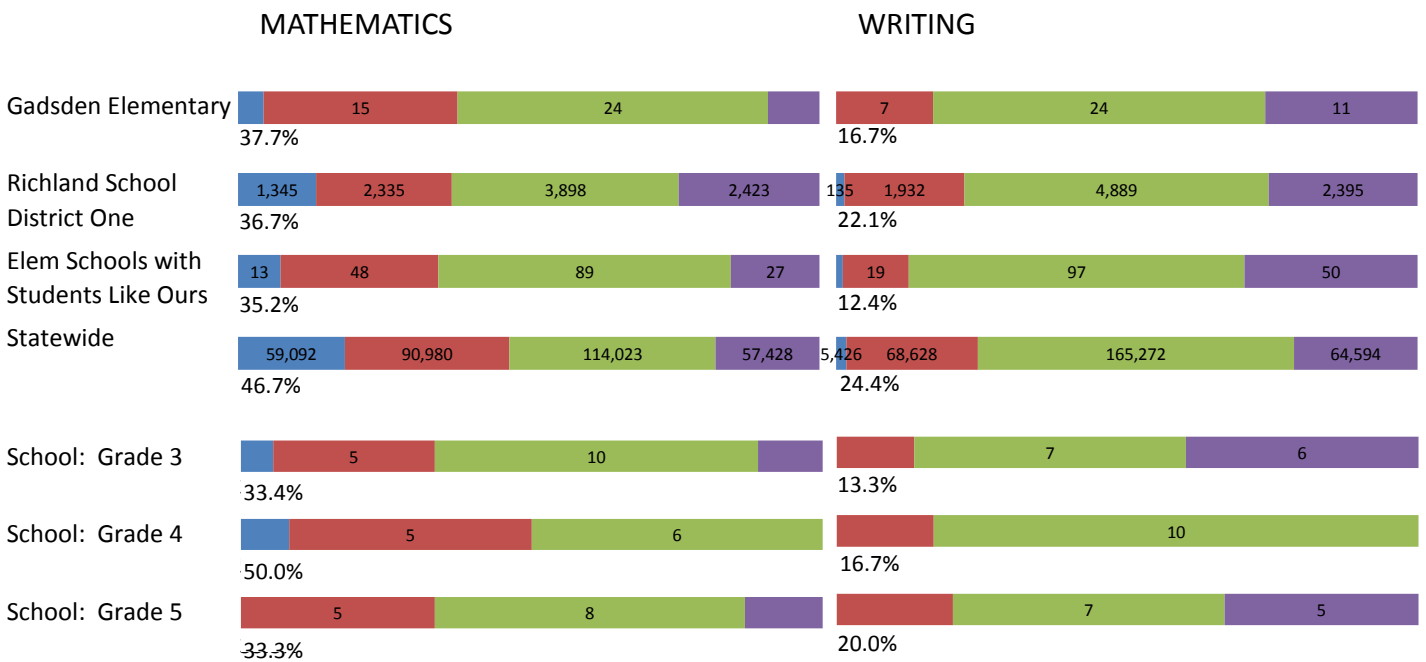

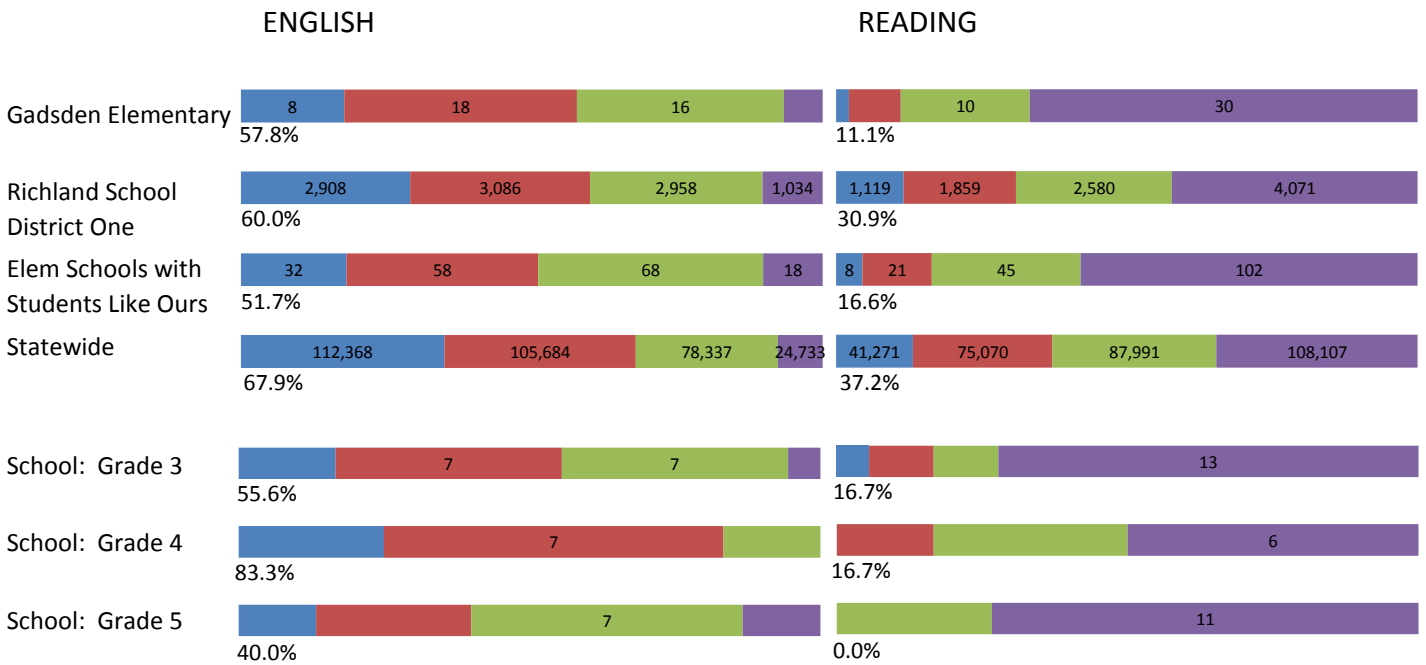

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Gadsden Elementary School is focused on developing world class, life and career skills and characteristics in all students; by incorporating research-proven best practices, strategies and interventions in the classroom. Our long-term success is a result of the participation and engagement of motivated students, parents, faculty/staff and community members. Our dedicated stakeholders recognize our true purpose is to help transform student learning into real world experiences for all students to be prepared for our global world. This year we continued to hold true to our academics first belief that all students can learn if presented with great expectations. Daily ELA/Social Studies and Math/Science lessons are taught through an integrated approach to help students connect learning across the curriculum. An integral part of our school transformation lies in literacy-based cross curricular studies such as "Around the World on the Polar Express", "Off the Wall, and Onto the Page, with Johnathan Green", and "A Night at the Museum" These units provided opportunities for students to enhance their research and inquiry skills through real world learning opportunities. The incorporation of school-wide learning experiences like STEAM challenges and Makerspaces combined with cross- curricular units allow students to develop skills needed to become world class learners and leaders. Throughout the school year, students are encouraged to demonstrate these characteristics through GES Student Council, BlueJay Ambassadors, BlueJay Wall of Excellence, GES Morning NEWS Team, and the Recycling Team. This year our Student Council collected over 100 pounds of food to donate to Harvest Hope. Our Annual Career Fair provided opportunities for students to explore career pathways through active real world learning. Our school won the Palmetto Gold Award for 2014 PASS student achievement. Also, we were awarded the "Top Recycling School" honor in Richland County Additionally, we received a Sonoco Grant to continue to help save the environment. Our dedicated School Improvement Council and PTO organizations, volunteers, and community members worked diligently together to provide student and school activities designed to enhance our school. As we continue to grow tomorrow's leaders, TODAY...we are committed to SOARING ABOVE, AND BEYOND EXPECTATIONS. We are Gadsden Elementary School, home of the Bold Blue Jays. Where excellence takes flight and every day is a great day to FLY HIGH towards Excellence!
