Teachers are recognized for their successes at faculty meetings, and we celebrate student successes each nine weeks as a grade level. In addition, our student body continues to participate in numerous service projects including March of Dimes, Relay for Life, United Way, Children's Security Blanket, and Upstate Stand Down. The faculty and staff at IIS are committed to high levels of student achievement. We pride ourselves in identifying each child's individual strengths and weaknesses in order to provide exemplary academic experiences. Our faculty provides differentiated instruction on a daily basis as a result of analyzing student assessment data, as well as student classroom performance. We continue to focus on 21st Century learning skills encouraging our students to display critical thinking, creativity, collaboration, and communication. The STEAM concept permeates our school. We believe that kids "learn by doing," and we work hard to nurture their ability to be lifelong learners. IIS is committed to providing opportunities for our students to make good choices to become productive citizens. Students have the opportunity to be involved in numerous clubs such as the Jr. Beta Club, FCA, Student Council, Yearbook, Recycling Club, etc. In addition, IIS continues to implement its character education and school wide expectations initiative.
